PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS AND DOMESTIC ANIMALS
CAUTION

Harmful if swallowed. May cause eye irritation. Avoid eye contact. Wash thoroughly after handling.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To control cockroaches, ants, and silverfish, apply the paste liberally with a putty knife or similar tool, applying the paste material under and behind refrigerators, stoves, sinks, dishwashers, washing machines and dryers, and tubs; into openings around drains, water pipes and electrical conduits; and in cracks and crevices along baseboards and corners of cabinets, cupboards, and closets. Remove all lower drawers in kitchen and bathroom cabinets, bedroom dressers and chests of draws, then apply the paste material liberally in the drawer wells.

Directions for Applying in New Construction to Control Cockroaches. When treating large areas, such as wall voids, soffit and subcabinet voids in new and existing construction, apply the paste material liberally.

This product may be used in homes, restaurants, markets, schools, warehouses, factories, offices, hotels, motels, hospitals, nursing homes, garages, grocery stores, apartment buildings, new construction, industrial plants, theaters, ships, boats, trains, trucks, yachts, camps mobile homes, buses, zoos, kennels, military bases, libraries, utilities and sewers.

EPA File Symbol 51707-R

LABEL FORMAT B

FRONT, BACK OR SIDE PANEL (continued)

Reapply the paste material as necessary. Any material visible after application must be scraped into cracks and crevices or removed. Apply only in areas inaccessible to children and pets. Do not use in edible product areas of food handling establishments, restaurants or other areas where food is commercially prepared, or processed. Do not use in serving areas while food is exposed. Avoid contamination of feed and foodstuffs.

DISPOSAL

Do not reuse empty container. Wrap container and place in trash collection.
