NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Add the phrase "EPA Registration No. 51793-2" to your label before you release the product for shipment.
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-74 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Precautionary Statements  
Hazards to Humans and Domestic Animals

**CAUTION**

May be harmful if swallowed, inhaled, or absorbed through the skin. Avoid breathing of spray mist and provide adequate ventilation of area being treated. Contact with skin, eyes, or clothing should also be avoided. Wash thoroughly with soap and warm water after handling. Avoid contamination of food, utensils and food preparation areas. Remove pets and cover fish bowls before spraying. If poisoning occurs, get prompt medical attention.

NOTE TO PHYSICIAN: Atropine Sulfate is Antidotal.

Do not use in commercial food processing, preparation, serving or storage areas. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Cover exposed food.

Physical Hazards

Flammable: Keep away from heat and open flame.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Call a physician or Poison Control Center immediately. Do not induce vomiting. Vomiting may cause aspiration pneumonia.

IF IN EYES: Flush immediately with clean water. Get medical attention if irritation persists.

IF ON SKIN: Remove clothing and wash skin with warm, soapy water. Thoroughly launder clothing before wearing again. Prolonged or repeated contact with this product may result in an allergic reaction.

IF INHALED: Remove victim to Fresh Air.

DIRECTIONS FOR USE

It is a violation of Federal Law to use the product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Storage: Store in a cool, dry area away from heat or open flame.

Disposal: Do not re-use empty container. Rinse thoroughly and securely wrap original container in several layers of newspaper and discard in trash.

General: In the Home and Non-Food Areas of Industrial Establishments: Spray surfaces to wetting. Point spray away from people, plants and pets. Avoid excessive wetting of plastic, rubber or asphalt surfaces, such as tiles and floor coverings.
