NOTICE OF PESTICIDE: ☒ REGISTRATION
☐ REREISTRATION

(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

✓
[Faint text, likely registrant name and address]

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with the EPA Act, 706 (15) provided that you:

1. Comply to the level of precautionary statements, hazards to humans and domestic animals as follows:

Warning: If swallowed, it can be harmful. Do not breathe dust. Do not get on skin. Do not get in eyes. Do not get on clothing. Do not get on food. Do not get on children. Do not get on pets. Do not get on livestock. Do not get on wildlife. Do not get on water. Do not get on crops. Do not get on property. Do not get on anything else.

2. Comply to the level of precautionary statements, hazards to humans and domestic animals as follows:

3. Comply to the level of precautionary statements, hazards to humans and domestic animals as follows:

If these conditions are not complied with, the registrant shall be subject to cancellation of registration under the EPA Act, 706 (15). The registrant shall be responsible for the cost of the product constituting the basis of this registration.

A return copy of the label is enclosed for your review.

EPA Est. No. 51783-FL-01
EPA Reg. No. 51783-

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

To Kill Fleas, Lice and Ticks: Bathe pet with a quality cleaning shampoo. Dilute 4 ounces of Elite Flea and Tick Dip Concentrate with 1 gallon of water. Dip animal into solution, making sure hair is thoroughly wet to the skin. The area around the ears should be sponged thoroughly. Avoid contact of material with eyes and mouth of animal. Do Not rinse off. Repeat as necessary for control.

STORAGE AND DISPOSAL

Storage: Store in a cool area away from heat or open flame.

Disposal: Do not re-use empty container. Wrap container and put in trash collection.

Precautionary Statements

CAUTION

Hazards to Humans and Domestic Animals

Harmful if swallowed. Avoid contact with skin and eyes. Do not contaminate food or feedstuffs with this concentrate or dip.

Environmental Hazards

This product is toxic to fish and other aquatic animals. Do not contaminate any body of water with this concentrate or dip or by cleaning of equipment.

Physical Hazards

Do not store or use near heat or open flame.
