NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

1. The label for this pesticide is hereby registered in accordance with EPA Reg. 152.23(a) and 152.23(b).

2. The registrant agrees to provide data required for registration, re-registration, or other purposes under EPA Reg. 152.23(a) and 152.23(b) when the Agency requires such data for the purpose of registration, re-registration, or other purposes.

3. The registrant agrees to provide data required for registration, re-registration, or other purposes when the Agency requires such data for the purpose of registration, re-registration, or other purposes.

a. Add the phrase "EPA Registration No. 51294-11."

b. Delete the name "Home & Garden Spray" from your labels and directions.

c. Delete the wording "Professional Strength" from the label and directions for use of this type of product.

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL

DATE

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

**Precautionary Statements
Hazards to Humans and Domestic Animals
CAUTION**

Human: May be harmful if swallowed, inhaled or absorbed through skin. Avoid breathing spray mist and provide adequate ventilation of area being treated. Avoid contact with skin, eyes and clothing. Do not allow children to contact treated surface until spray has dried. Wash thoroughly with soap and water after handling.

Do not use in commercial food processing or preparation areas. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Cover exposed food.

Animal: Remove pets, birds and cover fish aquariums before spraying. Do not allow pets to contact treated surface until spray has dried.

ENVIRONMENTAL HAZARDS:

This product is toxic to fish. Keep out of lakes or ponds, streams, tidal marshes and estuaries. Do not apply where runoff is likely to occur.

PHYSICAL HAZARDS

Do not use or store near heat or open flame.

STATEMENT OF PRACTICAL TREATMENT

If Swallowed: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.

If In Eyes: Flush with plenty of water. Call a physician if irritation persists.

If On Skin: In case of contact, remove contaminated clothing and immediately wash skin with plenty of soap and water. Thoroughly launder clothing before wearing again.

Note To Physician: Chlorpyrifos is a Cholinesterase inhibitor. Treat symptomatically. Atropine, by injection, is antidote of choice.
