 Miami, FL 33197

160 / 145, 137
 18 / 1

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Add the phrase "EPA Registration No. 51793-36."
 - b. For the Disposal statement please indicate: Replace cap and discard in trash. Do not incinerate or puncture.
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling

Kills exposed or accessible stages of these insects:

- | | |
|----------------------|----------------|
| Ants | Fleas & larvae |
| Cockroaches | Gnats |
| Crickets | Mosquitoes |
| Flies | Silverfish |
| Fruit Flies | Spiders |
| Flying Moths | Wasps |
| (Small flying moths) | |

One 5 ounce aerosol can treats up to 5000 cubic feet

One 12 ounce aerosol can treats up to 12,000 cubic feet.

How To Use:

Open any cabinet doors and drawers to allow maximum kill in all areas where insects can hide and breed. Close doors and windows and shut off fans and air conditioning to maximize killing power of fog. Remove pets and tightly cover or remove fish bowls or aquariums. Cover exposed foods, dishes or food handling equipment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. Put out all lights including pilot lights.

Directions:

SHAKE WELL JUST BEFORE USING. Place can on level raised surface such as stand or table, with protective covering underneath to prevent possible marring of surface. With can at arms length, direct spray away from face. Depress tab until it clicks in locked position. Exit immediately. Keep area closed for 10 minutes. Do not remain in treated area and ventilate before reoccupying.

DISPOS

Wrap container and dispose not incinerate.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS & DOM

CAUTION: Use in food processing areas should be confined to time periods when not in operation. Foods should be covered during treatment. All surfaces should be covered during treatment or thoroughly cleaned before using. Avoid inhalation of spray mist. Avoid contact with skin or eyes.

STATEMENT OF PRACTICAL TR

If swallowed - Drink one or two glasses of water and induce vomiting. Do not touch the back of the throat with finger. If necessary, give fluid if clear. If unconscious, do not give anything by mouth. Call a physician immediately.

If inhaled - Remove victim to fresh air. Apply respiratory protection if necessary.

If in eyes - Flush eyes for 15 minutes with water. Call a physician if irritation persists.

PHYSICAL HAZARDS

Contents under pressure. Do not store near heat or open flame. Do not incinerate container. Exposure to temperatures above 130°F may cause bursting.
