Mr. Lawrence P. Olon
RSR Laboratories, Inc.
501 Fifth Street
Bristol, Tennessee 37620

Dear Mr. Olon

Subject: Formula Amendment-Basic and Alternate Confidential
Statements of Formula (CSFs)
Elite Residual Flea & Tick Mist
EPA Registration No. 51793-47
Your Submission dated October 23, 1992

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below.

Please provide the following information for the Alternate Formulations A and B.
Provide the chemical identity of all the components, the percentage composition, CAS Registry Number and Material Safety Data Sheet (two copies) for E-3591 Coconut Fragrance.

The supplier may contact EPA directly referencing the File Symbol or EPA Registration Number in their response. For dyes, provide the color index and CAS Registry Numbers for all components. For perfumes and flavorings, provide for each component in the mixture: the chemical name, CAS Registry Number, and the percentage or range in percentage in the mixture. Certify that flavors are non-food type. The confidential information submitted by the suppliers is kept confidential under FIFRA Section 10.

A stamped copy of the label is enclosed for your records.

Sincerely yours,

George T. LaRocca
Product Manager (13)

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a
manner inconsistent with its labeling.

HOLD CONTAINER UPRIGHT. SHAKE WELL BEFORE USING.

This product will kill fleas up to 14 days and ticks up to 4 days on dogs.

This product will kill fleas up to 14 days and ticks up to 9 days on cats.

Spray the animal from a distance of 8-12 inches. Start spraying at the tail, moving the dispenser rapidly and making sure the animal's entire body is covered, including the legs and under the body. Fluff the hair as you spray so the spray will penetrate to the skin. The spray should wet the ticks thoroughly. Do not spray in face, eyes or on genitalia. Repeat as needed.

STORAGE AND DISPOSAL

STORAGE: Store in a cool area away from heat and open flame. Store above 32°F and protect from freezing.

DISPOSAL: Do not re-use container. Wrap original container in several layers of newspaper and discard in trash.

PRECAUTIONARY STATEMENTS

CAUTION

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Harmful if swallowed. Avoid breathing vapors. Do not spray in eyes, face or on genitalia. Do not use on nursing puppies or kittens under 3 months of age.

PHYSICAL AND CHEMICAL HAZARDS

Do not use or store near heat or open flame.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Drink 1 or 2 glasses of water and induce vomiting by touching back of the throat with finger. Repeat until vomit fluid is clear. Call a physician immediately. Do not induce vomiting or give anything to an unconscious person.

IF INHALED: Remove victim to fresh air. Apply artificial respiration, if indicated.

IF ON SKIN: Remove contaminated clothing and wash affected areas with soap and water.

IF IN EYES: Flush eyes with plenty of water. Call a physician if irritation persists.
