NAME AND ADDRESS OF REGISTRANT (Include ZIP code)		
Elite Chemical Corporation P. O. Box 1947 Hercules, CA 94091		
NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.		
On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.		
A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.		
Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.		
This product is conditionally registered/ reregistered with this section 3(c)(7)(2) provided that you:		
1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the owner requires all registrants of similar products to submit such data.		
2. Submit to the "Registered Product" label for your product and release the product for shipment.		
3. Submit five (5) copies of your final printed labeling to the Agency and release the product for shipment. Refer to the A-72 enclosure for a further description of final printed labeling.		
If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.		
A starter copy of the label is included for your records.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a
manner inconsistent with its labeling.

HOLD CONTAINER UPRIGHT

This product will kill Fleas, Ticks and Lice on Dogs and Cats. It will Repel Flies, Gnats and Mosquitoes from the animals.

Spray the animal from a distance of 8-12 inches. Start at the tail, moving the dispenser rapidly and making sure that the animal's entire body is covered, including the legs and under the body. As you spray, fluff the hair so the spray will penetrate to the skin. Make sure spray wets ticks thoroughly. Do not spray into eyes, face or on scrotum. Repeat as needed.

For cats, apply at the rate of one second per pound of body weight. For dogs apply at the rate of two seconds per pound of body weight for thin or short haired dogs and up to eight seconds per pound of body weight for heavy or long haired dogs.

STORAGE AND DISPOSAL

Storage: Store in a cool, dry area away from heat or open flame.

Disposal: Do not re-use empty container. Wrap container and put in trash collection.

PRECAUTIONARY STATEMENTS

CAUTION

Hazards To Humans and Domestic Animals

Harmful if swallowed. Avoid breathing vapors. Wash hands with soap and water after use. Do not spray in eyes, face, or scrotum. Do not use on nursing puppies or kittens under 3 months of age.

In the home, all food processing surfaces, exposed food and utensils, should be covered during treatment, or thoroughly washed before use.

Cover fish aquariums before spraying.
