Ms. Kim Lanham
 RSR Laboratories
 501 Fifth Street
 Bristol, TN 37620

Dear Ms. Lanham:

Subject: Amendment - Revised Labeling - Basic and Alternate
 Confidential Statements of Formulas
 Elite Permethrin Flea & Tick Dip
 EPA Registration No. 51793-82
 Your Submissions Dated May 7 and August 25, 1993 and
 February 8, 1994

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable provided that you make the labeling changes indicated below prior to release for shipment of product bearing the amended labeling.

1. Include the following statements under the Hazards to Humans and Domestic Animals section before the last sentence:

Use rubber gloves (mitts) when applying. Do not use this or any other pesticide on sick, old, or debilitated animals.

2. Revise the Environmental Hazards statements as follows:

This product is toxic to fish and other aquatic organisms. Do not apply directly to any body of water. Do not contaminate water when disposing of equipment washwaters.

3. Under the Directions for Use, delete the statement "Repeat as necessary." and replace it with the following:

Dipping should not exceed 30 seconds. This product should not be used on animals more than once every seven days.

4. The reported flashpoint for this product is 142°F. Thus the Physical Hazards statement should read "Do not use or store near heat or open flame."

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner
inconsistent with its labeling.

To Kill Fleas, Lice and Ticks: Dilute 2 ounces of concentrate with 1 gallon
of warm water. Dip, sponge or swab animal with diluted solution, making sure
hair is thoroughly wet to the skin. Area around the ears should be sponged
thoroughly. Avoid contact of material with eyes and mouth. Allow pet to dry
in a warm place without rinsing or toweling. Repeat as necessary for control.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Store in a cool area away from heat or open flame. ✓

Pesticide Storage and Spill Procedures: ✓ Store upright at room temperature. Avoid exposure to extreme temperatures. In case of spill or leakage, soak up with an absorbent material such as sand, sawdust, earth, fuller's earth, etc. Dispose of with chemical waste. ✓

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. ✓

Container Disposal: ✓ Triple rinse (or equivalent) then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other approved state and local procedures. ✓

Containers One Gallon and Smaller: Do not reuse container. Wrap and discard in trash.

PRECAUTIONARY STATEMENTS ✓ HAZARDS TO HUMANS & DOMESTIC ANIMALS ✓ CAUTION ✓

HUMANS AND ANIMALS: Harmful if swallowed. Contains petroleum distillate. Do not induce vomiting because of aspiration hazard. Avoid contact with skin and eyes. Do not contaminate food or feedstuffs with this concentrate or dip.

ENVIRONMENTAL HAZARDS ✓

This product is toxic to fish. Keep out of lakes, streams, ponds, tidal marshes and estuaries. Do not apply where runoff is likely to occur.

PHYSICAL HAZARDS ✓

Flammable. ✓ Keep away from heat and open flame. ✓

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: ✓ Call a physician or Poison Control Center. Do not induce vomiting because of aspiration hazard.

IF IN EYES OR ON SKIN: ✓ Flush affected areas with plenty of water. Contact a physician if irritation persists.

IF INHALED: ✓ Remove affected person to fresh air. Apply artificial respiration if indicated.
