

MAR 26 1991

Mr. Rob Adams
Elite Chemical Corporation, Inc.
P.O. Box 1947
Norcross, GA 30091

Dear Mr. Adams:

Subject: Elite Horse Spray
EPA Registration No. 51793-90
Your Application Dated April 4, 1990

The proposed amendment to the registration of the product cited above changing the declaration of Oil of Citronella from active to inert is acceptable subject to the comments listed below.

1. The name of the product must be changed by deleting "With Citronella."
2. Delete "and Oil of Citronella" from the footnote to the ingredient statement.

A stamped copy of the draft label is enclosed. Submit five (5) copies of the amended label bearing the revised new name for the product.

Sincerely yours,

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

ELITE HORSE SPRAY WITH CITRONELLA has been especially developed for use on horses. It provides a protective hair coating against flies while imparting a high sheen to the hair when brushed out. 1-2 ounce per head per day gives adequate protection. Apply by either soft cloth or fine mist spray.

ACCEPTED
with COMMENTS
EPA Letter dated
MAR 26 1991
Under the Federal Insecticide,
Fungicide and Rodenticide Act
as amended for the pesticide
registered under EPA Reg. No.
51793-90

USE TO WIPE ON: First, brush animal to remove excess dirt and dust. Moisten (but do not wet to the point of dripping) a soft cloth and rub over the hair. It is best to apply by rubbing against the hair growth. Give special attention to the legs, shoulders, shanks, neck and facial areas where flies most often are seen. Only a light application is required. Avoid using an excessive amount on your horses. Do not wet skin. After application, brush thoroughly to bring out bright sheen on the coat. Repeat daily or as required.

USE AS A SPRAY: ELITE HORSE SPRAY WITH CITRONELLA may be applied as a fine mist spray to stable area and over and around stabled horses for fast paralysis and kill of flies. Do not wet horse's skin or exceed two ounces per application.

✓ STORAGE AND DISPOSAL

- ✓ Do not contaminate water, food or feed by storage or disposal.
- ✓ **PESTICIDE STORAGE AND SPILL PROCEDURES:** Store upright at room temperatures. In case of spill or leakage, soak up with an absorbent material such as sand, sawdust, earth, fuller's earth, etc. Dispose of with chemical waste.
- ✓ **PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.
- ✓ **CONTAINER DISPOSAL:** Triple rinse (or equivalent) then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other State and local procedures.

CONTAINERS ONE GALLON AND SMALLER:

- ✓ **STORAGE:** Store in original container inaccessible to children and pets.
- ✓ **DISPOSAL:** Do not reuse container. Wrap and discard in trash.

PRECAUTIONARY STATEMENTS

CAUTION

Hazards to Humans and Domestic Animals

Harmful if swallowed. Remove or cover exposed foods before spraying. Do not apply to dairy or food animals. Not for use on horses intended for food.

ENVIRONMENTAL HAZARDS

This product is extremely toxic to fish. Do not apply directly to water. Do not contaminate water when disposing of equipment washwater.

✓ PHYSICAL AND CHEMICAL HAZARDS

Do not use or store near heat or open flame.

Buyer assumes all risk of use, storage or handling of this product not in strict accordance with directions.

STATEMENT OF PRACTICAL TREATMENT

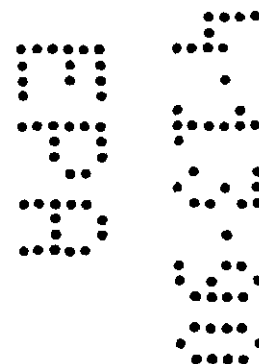

If Swallowed: Do not induce vomiting unless directed by a physician. Petroleum distillate may cause aspiration. Contact a physician immediately.

If Inhaled: Remove victim to fresh air. Apply artificial respiration if indicated.

If In Eyes: Flush eyes with plenty of water. Contact a physician if irritation persists.

If On Skin: Remove contaminated clothing and wash affected areas with plenty of soap and water.
