

A copy of the labeling of this product is being submitted herewith for your review. Registration is required for all pesticides used in the United States in order to protect health and the environment. The Administrator may suspend or cancel the registration of a pesticide in accordance with the FIFRA Act. The Administrator may also suspend or cancel the registration of a pesticide if it is not to be marketed or if it is found to be hazardous to man or the environment by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/re-registration of your product under FIFRA sec. 3(c)(1) when the Agency requires all registrants of similar products to submit data.
2. Submit the labeling of this product to the Agency when you release the product for sale.

with COMMENTS  
in EPA Letter Dated:

02/14/89 EL092

AUG 31 1990

Under the Federal Insecticide,  
Fungicide, and Rodenticide Act as

2 21793-92

Spray the animal from a distance of 8-12 inches. Start spraying at the tail, moving the dispenser rapidly and making sure the animal's entire body is covered, including the legs and under the body. Fluff the hair as you spray so the spray will penetrate to the skin. The spray should wet the ticks thoroughly. Do not spray in face, eyes or on genitalia. Repeat as needed.

#### STORAGE AND DISPOSAL

**Storage:** Store in a cool area away from heat and open flame. Store above 32°F and protect from freezing.

**Disposal:** Do not re-use empty container. Wrap original container in several layers of newspaper and discard in trash.

#### PRECAUTIONARY STATEMENTS

##### CAUTION

##### Hazards to Humans and Domestic Animals

Harmful if swallowed. Avoid breathing vapors. Do not spray in eyes, face or on genitalia. Do not use on nursing puppies or kittens under 3 months of age. Mitt or glove should be worn when applying this product to animals. Do not use this or any other pesticide on sick, old or debilitated pets.

#### PHYSICAL and CHEMICAL HAZARDS

Do not use or store near heat or open flame.

#### STATEMENT OF PRACTICAL TREATMENT

**IF SWALLOWED:** Drink one or two glasses of water and induce vomiting by touching the back of the throat with finger. Repeat until vomit fluid is clear. Call a physician immediately. Do not induce vomiting or give anything to an unconscious person.

**IF INHALED:** Remove victim to fresh air. Apply artificial respiration if indicated.

**IF ON SKIN:** Remove contaminated clothing and wash affected areas with soap and water.

**IF IN EYES:** Flush eyes with plenty of water. Call a physician if irritation persists.
