## DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a  
manner inconsistent with its labeling.

Do not apply directly to foliage of shrubs or to ornamental, soft-bodied plants.

**GENERAL:** For both indoor and outdoor situations, the most effective control for a pet is the sharply spoken word backed up with disciplinary action. This repellent product should be used in conjunction with training.

**INDOORS:** To break your pet of undesirable habits (such as sleeping on furniture, rugs and other forbidden areas in your home): Spray the article of furniture, rugs, etc., lightly with this product so that the area or object is slightly moistened. Before spraying extensive areas of rugs, fabrics or plastics, test the effect of this product by first treating a small,

BEST AVAILABLE COPY

inconspicuous area. This product may stain or soften some fabrics or plastics. An alternate method to avoid possible damage is to spray a piece of cloth lightly and place it on the object or area in your home to be protected. Repeat daily, or as necessary, until undesirable habit is broken.

**OUTDOORS:** To prevent your pet, or stray animals, from soiling flower beds, areas of lawn, trees, shrubbery or evergreens: Spray the edges of flower beds, trunks of trees, the bases of shrubbery and evergreens, patches of lawn, etc., lightly every day, or every other day, with this product. Stray animals are frequently attracted to areas where urine or feces have been deposited. First, remove any droppings, then spray the spot with this masking odor. Reapply as often as necessary until undesirable habits of your pet or stray animals are changed.

**NOTE:** This product is not likely to break the established urination patterns of dogs unless used as a training aid.

**GARBAGE AND GARBAGE CANS:** Treat bags of garbage and garbage cans on all surfaces until wet. Allow to dry before handling. Reapply as necessary.

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS  
CAUTION**

Harmful if swallowed or absorbed through the skin. Avoid contact with skin. Wash with soap and water after spraying.

Do not use in commercial food processing or preparation areas. In the home, all food processing surfaces and utensils should be covered during treatment. Cover exposed food. Do not apply to food crops.

**PHYSICAL OR CHEMICAL HAZARDS**

Flammable. Keep away from heat or open flame. ✓

**STORAGE AND DISPOSAL**

**Storage:** Store only in original container, in a dry place inaccessible to children and pets.

**Disposal:** Do not reuse empty container. Rinse thoroughly, securely wrap in newspaper and discard in trash.
