U.S. ENVIRONMENTAL PROTECTION AGENCY OFFICE OF PESTICIDES PROGRAMS REGISTRATION DIVISION (73-787) WASHINGTON, DC 20460	EPA REGISTRATION NO. 51793-178	DATE OF ISSUANCE August 13, 1991
	TERM OF ISSUANCE Until Reregistration	
	NAME OF PESTICIDE PRODUCT Elite Dureban IX D Dust -R142	

NOTICE OF PESTICIDE: REGISTRATION REREGISTRATION
 (Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Elite Manufacturing & Packaging, Inc.
 225 F Horizon Drive
 Suwanee, Georgia 30174

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Add the phrase, "EPA Registration No. 51793-178."
 - b. Amend your disposal statement as noted:

For bottles, cans and jar containers:
 "Do not reuse empty container. Rinse thoroughly before discarding in trash."

For paper (bag) containers: **BEST AVAILABLE COPY**
 "Do not reuse bag. Discard in trash."
3. Amend the Precautionary Statements section to state "Harmful if swallowed." (Delete "May be" from current label wording.)

Elite Dursban 1&D Dust-R142
EPA Registration No. 51793-178
Conditions of Registration
Page 2 of 2

4. Within the Statement of Practical Treatment, make the appropriate addition to amend the first sentence in the directions for treatment after contact with skin to state: "Immediately wash with plenty of soap and water."

5. Within the Statement of Practical Treatment, amend the first sentence in the directions for treatment in the case of contact with eyes to add "Immediately" and to delete "for 5 minutes."

6. If container sizes of larger than five pounds are anticipated, pesticide and container disposal instructions must be added to the label in accordance with PR Notice 83-3. Moreover, the statement "Do not contaminate water, food or feed by storage or disposal" should be listed immediately below the Storage and Disposal heading.

7. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

8. Within 15 months of the date of this registration, submit a storage stability study in which the formulated product is analyzed for the active ingredient at time zero and during one year of storage at warehouse conditions of time and temperature in the product's commercial package. Please note that you may not reference the data on the product concentrate that you are using to formulate your product.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA Section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

EPA Reg. No. 51793-

AUG 13 1991

NET WEIGHT ___ LBS.

**Under the Federal Insecticide,
Fungicide, and Rodenticide Act
this material, for the pesticide
registered under EPA Reg. No.
51793-178**

DIRECTIONS FOR USE

**It is a violation of Federal law to use this product in a
manner inconsistent with its labeling.**

**This product is a ready-to-use insecticidal dust which
controls pests as indicated below. Apply directly into
cracks and crevices or other localized areas with a bulbous
duster or other suitable equipment. The amount of dust to be
applied will vary, but should usually be in the range of 1/3
to 2/3 ounces per square yard.**

BEST AVAILABLE COPY

Application within residential buildings including homes and apartment buildings and within non-food areas of industrial, institutional, and commercial buildings including hospitals, stores, manufacturing plants and warehouses: For spot treatment only -- Apply as a light but uniform dust to localized areas where cockroaches, (including strains resistant to certain other insecticides), ants, clover mites, crickets, firebrats, silverfish and spiders are found or normally occur including dark corners of rooms and closets; cracks and crevices in walls; along and behind baseboards; beneath and behind sinks, stoves, refrigerators and cabinets; around plumbing and other utility installations. For ants apply to ant trails, also around doors and windows and wherever else these pests may find entrance.

For control of carpet beetles, apply dust as a spot treatment along baseboards and edges of carpeting, under carpeting, rugs and furniture, in closets and on shelving, and wherever else these insects are seen or suspected.

For control of ticks and fleas, apply dust as a spot treatment to infested areas such as pet beds and resting quarters, nearby cracks and crevices; along and behind baseboards, window and door frames and localized areas of floor and floor covering where these pests may be present. Old bedding of pets should be removed and replaced with clean, fresh bedding after treatment. **DO NOT TREAT PETS WITH THIS PRODUCT.** To control the source of flea infestation, pets inhabiting the treated premises should be treated with a product registered for application to animals.

Carpenter Ants: Apply dust around doors and windows and other places where ants enter premises and where they crawl or hide. Also force dust into cracks and crevices or through openings or small newly drilled holes into wall voids where ants and/or nests are present. Use a sufficient amount to lightly cover area surfaces.

Wasps, Bees and Hornets: Apply dust on nest and surrounding area. To treat nests in wall voids, drill a hole in the wall, blow in dust and reseal. Do not use this product to treat overhead nests.

STORAGE: Store in a cool, dry area.

DISPOSAL: Do not reuse empty container. Wrap and put in trash.

*In bottles, cans, jars
Please thoroughly
wash before reuse
or use as trash*

*Securely wrap original
container in several layers
of newspaper and
place in trash.*
