NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Add the phrase "EPA Registration No. 51480-1."
 - b. On the Confidential Statement of Formula (CSF) please provide the following:
density
weight of each component
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Telco And Power Wasp and Hornet Spray

Notice: This product is formulated exclusively for the telecommunications and power industries to prohibit damage to plastic connectors and other insulating materials

Directions for use: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Remove protective cap. Point spout-type nozzle toward nest, crevice or hole where infestation or insects are known to be inside. Press center of valve top all the way down and spray area until saturated with insecticide. User should always use this product with the wind at his back. Apply to nesting areas. If insects reinfest their nest, re-treat as described above. Use only out of doors.

Warranty Statement: Our recommendations for the use of this product are based upon tests believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, expressed or implied, is made as to the effects of such or the results to be obtained if not used in accordance with directions or established safe practice. The buyer must assume all responsibility, including injury or damage, resulting from its misuse as such, or in combination with other materials.

Precautionary Statements:
Hazards to Humans and Domestic Animals

CAUTION

Harmful if swallowed, inhaled or absorbed through skin. Avoid breathing spray mist. Avoid contact with eyes, skin or clothing. Wash thoroughly after using. Avoid contamination of feed and foodstuffs.

Statement of Practical Treatment

If swallowed: Call a physician or Poison Control Center. Do not induce vomiting. This product contains petroleum solvent. Aspiration may be a hazard.

If in eyes: Flush with plenty of water. Get medical attention if irritation persists.

If on skin: Wash with soap and plenty of water. Get medical attention if irritation persists.

Physical and Chemical Hazards

Contents under pressure. Do not puncture container. Do not store near heat or open flame. Exposure to temperatures above 130°F (54°C) may cause bursting. Never throw container into fire or incinerator.

Environmental Hazards

This product is toxic to fish. Do not apply directly to water.

To use entire contents:
Hold sprayhead stationary and rotate can until material sprays as shown.

STORAGE: Do not store near heat or open flame. Keep in locked storage area.
CONTAINER DISPOSAL: Replace cap and discard container in trash. Do not incinerate or puncture.
