PRECAUTIONARY STATEMENTS

Hazards to humans and domestic animals

CAUTION: Avoid contact of lure with skin and eyes. In case of accidental contact, wash hands thoroughly with soap and water. If irritation occurs, seek medical attention

ENVIRONMENTAL HAZARDS: Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsate.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For formulation into baits to lure and trap Japanese beetles and any other insects co-habiting or existing with the beetles. Such lures and their associated baits are to be used for outdoor residential use to help protect roses, grapes, fruit trees and vegetables.

It is the responsibility of formulators to obtain the necessary Federal and State registrations for their products formulated with this product.

STORAGE AND DISPOSAL

STORAGE: Do not contaminate water, food, or feed by storage or disposal. Store in a cool dry place. Do not open until ready to use.

DISPOSAL: Wrap and dispose of any unused Furanone in regular trash collection.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.

Trécé will provide technical expertise and advice in formulating the Furanone into baits for use with traps to contain or monitor Japanese Beetles.
