	U.S. ENVIRONMENTAL PROTECTION AGENCY Office of Pesticide Programs Registration Division (H7505C) 401 "M" St., S.W. Washington, D.C. 20460	EPA Reg. Number: 54142-6	Date of Issuance: FEB 12 2004
		Term of Issuance: Conditional	
		Name of Pesticide Product: Barricade Permanone Multi-Purpose Insecticide Spray	
NOTICE OF PESTICIDE: <u> X </u> Registration <u> </u> Reregistration			
(under FIFRA, as amended)			
Name and Address of Registrant (include ZIP Code): Lighthouse For The Blind 10440 Trenton Avenue St. Louis, MO 63132			
Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.			
On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.			
This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:			
1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.			
2. Make the labeling changes listed below before you release the product for shipment:			
a. Add the phrase "EPA Registration No. 54142-6".			
b. On the color copy you can hardly read the text. All labeling must be clearly legible to a person with normal vision and appear on a clear contrasting background.			
Signature of Approving Official:		Date:	

page 2
EPA Reg. No. 54142-6

3. Submit two (2) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Enclosure

**PRECAUTIONARY STATEMENT
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION: Harmful if inhaled or absorbed through skin. Avoid inhalation of spray mist. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Avoid contamination of feed and foodstuffs. This product is not for use on humans.

PHYSICAL OR CHEMICAL HAZARDS

Contains under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate containers. Explosive at temperatures above 130 F (55 C) may cause bursting.

FIRST AID

Call poison control center or doctor immediately for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For MEDICAL and TRANSPORT Emergencies ONLY call 24 hours a day 1-877-515-9819. For all other information call 1-800-542-2697.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **SHAKE WELL BEFORE USING.** To be used for treatment of hot weather and temperate military field clothing and mosquito netting only. Make all applications outdoors. **DO NOT TREAT UNIFORM CAP.** For protection against mosquitoes and ticks, select an outdoor area protected from the wind. Spray outer surfaces of clothing (while not being worn) and mosquito netting with a slow sweeping motion to lightly moisten the surface of the fabric. Treat the clothing for a minimum of 30 seconds on each side and allow 2 hours (4 hours under humid conditions) to dry prior to being worn. Hold can at a distance of 6 to 8 inches from the object being treated. Treatment should moisten the surface of the fabric enough to cause a slight color change. Use approximately 1/2 of this container to treat one complete field uniform. Use remainder on mosquito netting. Treat the entire outside surface of clothing with special attention to socks, trouser cuffs and shirt cuffs. Pant cuffs should be worn inside the socks or footwear to ensure full protection against ticks and chiggers. This item must be used in conjunction with the standard issue repellent approved for application to exposed skin areas to achieve maximum protection from mosquitoes. Follow standard field uniform laundering procedures weekly. Reapply after six weeks and with laundering.

STORAGE AND DISPOSAL

Storage: Store in a cool, dry area. Do not transport or store below 32 F (0 C).

Container Disposal: Do Not Puncture or Incinerate. In field situations, bury the container.

If empty: Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.
