	100.00%

CAUTION: KEEP OUT OF REACH OF CHILDREN
SEE BACK PANEL FOR PRECAUTIONARY STATEMENTS

E.P.A. REG#52253-3

E.P.A. EST.#35032-CA-01

32 FL. OZ. (1 QUART) / 940 ML.

Precautionary statements HAZARD TO HUMANS AND DOMESTIC ANIMALS

Harmful if swallowed, inhaled or absorbed through the skin, eyes or clothing. Avoid contact with skin, eyes or clothing. Do not smoke while using. Wash thoroughly after handling. Wash contaminated clothing before re-use.

STATEMENT OF PRACTICAL TREATMENT

If swallowed, call a physician or Poison Control Center. Drink one or two glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to a unconscious person. If on skin, remove contamination and wash with plenty of soap and cool water. If in eyes, flush eyes with plenty of water for at least 15 minutes. Get medical attention if irritation persists. Avoid breathing spray, mist or vapors. Keep children and animals off treated areas until spray has dried.

APPLY THIS PRODUCT ONLY AS SPECIFIED ON THIS LABEL

PHYSICAL OR CHEMICAL HAZARDS

Do not use, pour, spill or store near heat or open flame. Do not store under 32°F.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds, and other wildlife. Keep out of any body of water such as lakes, streams

and ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not apply where runoff is likely to occur.

USE INSTRUCTIONS:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

GENERAL

Ioderm brand Environmental Spray™ is a convenient and effective way to control fleas and ticks for as long as four weeks in the animals indoor environment. Ioderm brand Environmental Spray™ has a pleasant odor and does not stain valuable home furnishings.

DIRECTIONS:

Before applying Ioderm brand Environmental Spray™ thoroughly vacuum carpets and upholstered furniture to remove eggs. Ioderm brand Environmental Spray™ comes ready-to-use. Slightly loosen cap. Adjust spray pattern by turning nozzle in either direction to obtain desired spray pattern. For indoor control, it is suggested that carpets, upholstered furniture, sleeping quarters and all areas of animals environment be spot treated. If infestation is severe, it is suggested that bedding be destroyed. Areas to be treated with Ioderm brand Environmental Spray™ should be thoroughly wetted then allowed to dry before animal or human contact.

This container will treat approximately 400-500 sq. ft.

STORAGE & DISPOSAL

STORAGE: Do not contaminate water, food or feed by storage or disposal.
DISPOSAL: Do not re-use empty container. Re-seal container, wrap and put in trash collection.

NOTE TO PHYSICIAN: Active ingredient is a cholinesterase inhibitor. Treat symptomatically. Atropine only by injection is an antidote.
