DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To control cockroaches, ants and silverfish, apply liberally with the applicator directly to the back and bottom of the refrigerator, stove, sink, dishwasher, washing machine and dryer, tubs; into openings around drains, sewers, water pipes and electrical conduits; in cracks and crevices along baseboards and in corners of cabinets, cupboards, closets; above door jams; behind televisions and large radios, pictures and other large stable ornaments accessible to pests and not children or pets. Remove all drawers in kitchen and bathroom cabinets, bedroom dressers and chests of drawers, then apply liberally to the backs and bottoms of the drawers and in the wells with the applicator

The first liberal application should be effective for several months. Reapply as necessary. APPLY ONLY IN AREAS INACCESSIBLE TO CHILDREN AND PETS. Avoid contamination of feed and foodstuffs. Wash thoroughly after handling.

This product may be used in homes, restaurants, and other food and feed handling establishments, markets, schools, warehouses, factories, offices, hotels, motels, hospitals, nursing homes, garages, grocery stores, apartment buildings, new construction, industrial plants, theatres, ships, boats, trains, trucks, yachts, camps, mobile homes, buses, zoos, kennels, military bases, libraries, utilities, and sewers.
