Subject:

Label Amendment

Hypochlorite Solution

EPA Registration Number: 52483-1 Application Date: February 2, 2012 Application Receipt: February 2, 2012

Dear Ms. Dechello:

This acknowledges receipt of the following amendment submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended.

Proposed Amendment:

- Update Storage & Disposal Statement per PR Notice 2007-4;
- Revise 46 hours to 4-6 hours;
- Move and revise the precaution "Do not contaminate water, food or feed by storage, disposal or cleaning equipment;

A new stamped accepted label is requested.

General Comments:

Based on a review of the submitted materials, your amendment to update your label in the manner referenced above is acceptable.

A stamped accepted label is enclosed for your files.

If you have any questions or comments concerning this letter, please contact Killian Swift via email at swift.killian@epa.gov or by telephone at (703) 308-6346 during the hours of 5:00 AM to 12:00 PM EST. When you are submitting information or data in response to this letter, send a copy of this letter to accompany the submission in order to facilitate processing.

Sincerely,

- 5

Monisha Harris Product Manager 32 Regulatory Management Branch II Antimicrobials Division (7510P)

Enclosure: EPA stamped accepted label.
