NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others. This product is conditionally registered in accordance with FIFRA sec.

3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

2. Add the phrase "EPA Registration No. 52497-1" to your label before you release the product for shipment.

3. The additional brand names listed below are also acceptable for this product. The labeling must comply with that accepted for the product except for brand name.

Macon House Plant Insect Spray  
Flower & Foliage Insect Control  
Tomato & Vegetable Insect Control

4. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

ACCEPTED  
with COMMENTS  
in EPA Letter Docket

APR 22 1985

Under the Fungicide, Insecticide,  
and Plant Growth Regulator Act  
as amended for the pesticide  
registered under EPA Reg. No.

52497-1

**MARCON  
HOUSE PLANT INSECT SPRAY**

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Shake well before using. Hold the bottle about 18 inches from the plants and spray with circular motions. Wet the upper and lower leaf surfaces so that the areas are well contacted. Avoid spraying on the new growth and tender foliage.

To control APHIDS, LEAFHOPPERS, FLEA BEETLES and WHITEFLIES on foliage house plants, ornamental and greenhouse plants. This formulation can be used OUTDOORS on garden plants to control APHIDS and WHITEFLIES.

**HAZARDOUS TO HUMAN AND DOMESTIC ANIMALS**

**CAUTION:** Harmful if swallowed or absorbed through skin. Avoid contact with eyes or skin. In case of contact, flush eyes or skin with plenty of water. Get medical attention if irritation persists.

**ENVIRONMENTAL HAZARDS:** This product is toxic to fish. Do not apply directly to lakes, ponds, streams and rivers.

**DISPOSAL:** Do not re-use empty containers. Wrap container and put in trash collection.
