Weeks Roach Spray

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Weeks Chemical, Inc.  
302 School Street  
Houma, LA 70360

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This registration is being issued in accordance with FIFRA section 3(c)(7)(A), subject to the following conditions:

1. It is understood that you will submit/cite all data required for registration or reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

2. Submit the following data or information as soon as possible, but no later than 1 year from the date of this registration:

- One-year storage stability data.

3. The following revisions apply to the proposed (draft) label for this product. The finished printed labels under which this product will be marketed must reflect these revisions.

a. Add a footnote to the label ingredient statement indicating:

Contains petroleum distillates.
