ALL CLEAR!!!

ROOT DESTROYER

CLEANS AND PREVENTS ROOT-BLOCKED SEWER LINES

DIRECTIONS

PARTIAL BLOCKAGE: Pour two pounds of ROOT DESTROYER into toilet closest to sewer line and flush. Wait several hours and repeat if blockage is not completely removed. Run as little water as possible through system while ROOT DESTROYER is in sewer line.

COMPLETE BLOCKAGE: Follow same procedure except use four pounds of ROOT DESTROYER. If blockage persists, repeat procedure. The use of a sewer auger may be necessary to allow ROOT DESTROYER to reach all the blocked areas. Add two pounds weekly for three weeks to ensure complete root clean out after line has been cleared.

Periodic use of ROOT DESTROYER will prevent roots from growing into line. It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER

Corrosive. Causes irreversible eye damage. Do not get into eyes. Wear goggles or face shield. May be harmful or fatal if swallowed.

STATEMENT OF PRACTICAL TREATMENT: If in eyes immediately flush eyes with plenty of water for at least 15 minutes. For eyes, call a physician. If swallowed drink promptly a large quantity of milk, egg white, or gelatin solution, if these are not available, drink large quantities of water. Call a physician immediately. Avoid alcohol.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

ENVIRONMENTAL HAZARDS: Do not contaminate water by cleaning of equipment or disposal of wastes.

STORAGE: Store in dry area out of reach of children.

DISPOSAL: Do not reuse container. Discard in trash.

DISCLAIMER: This ROOT DESTROYER is made with the highest quality materials. All information is based on our laboratory testing, actual field experience, and independent laboratory test results. Properly used, this material will perform in accordance with applicable standards. Since we are unable to control conditions for which the product is being used, our only obligation will be the replacement of the compound.
