BEST AVAILABLE COPY

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(d)(7) provided that you:

1. Submit and/or cite all data required for registration/reregistration or provide under FIFRA sec. 3(d)(5) when the Agency requires all distributors of similar products to submit such data.
 2. Add the phrase "EPA Registration No. 52675-1" to your label before you release the product for shipment.
 3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the 4-79 enclosure for a further description of final printed labeling.
- If these conditions are not complied with, the registration will be void and cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A copy of the label is enclosed for your records.

CAUTION

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Avoid breathing vapors. Avoid contact with skin, eyes, or clothing.

FIRST AID: If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution, or, if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish. Keep out of lakes, streams, or ponds. Permits may be required for discharges containing this pesticide into lakes, streams, ponds, or public water. For guidance, contact the regional office of the Environmental Protection Agency.

**DIRECTIONS FOR USE
GENERAL CLASSIFICATION**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

WATERCHEM 992 is used to control bacteria and fungi in recirculating commercial and industrial water systems. Upon its use, systems must be cleaned to remove slimes, and other deposits. An initial slug addition of 11.1 fluid ounces of WATERCHEM 992 to 100 gallons of water to provide a concentration of 24 parts per million of WATERCHEM 992 based on the volume of water in the system, is recommended. Repeat initial dosages of 7.5 to 18.3 fluid ounces of WATERCHEM 992 per 1000 gallons of water should be employed each frequency of addition depends upon the relative amount of the bacterial problem. Slug additions may be made to collection trays of the airwash system.

Subsequent slug additions of 0.73 to 11.1 fluid ounces of WATERCHEM 992 per 1000 gallons of water should be employed every 2 to 5 days, or as needed. The frequency of addition depends upon the relative amount of the bacterial problem. Slug additions may be made to collection trays of the airwash system.

60 parts per million of WATERCHEM 992 is recommended. Repeat initial dosage until control is evident. Subsequent slug additions of 7.5 to 18.3 fluid ounces of WATERCHEM 992 per 1000 gallons of water should be employed each frequency of addition depends upon the relative amount of the bacterial problem. Slug additions may be made to collection trays of the airwash system.
