PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS AND DOMESTIC ANIMALS  
CAUTION

Harmful if swallowed. May cause eye irritation. Avoid eye contact. Wash thoroughly after handling.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To control cockroaches, ants and silverfish, apply liberally, scattering under and behind refrigerator, stove, sink, dishwasher, washing machine and dryer, tubs; into openings around drains, water pipes and electrical conduits; and in cracks and crevices along baseboards and corners of cabinets, cupboards, and closets. Remove all lower drawers in kitchen and bathroom cabinets, bedroom dressers and chests of drawers, then scatter liberally in drawer walls.

Directions for Applying in New Construction to Control Cockroaches. When treating large areas, such as wall voids, soffit and subcabinet voids in new and existing construction, dust liberally using dusting application equipment.

Direction for Applying as a Mop Solution to Control Cockroaches Add 1 of powder to each gallon of rinse water. Apply to floor areas only. Make only enough for each application.

Directions for Applying in Sewers to Control Cockroaches Apply 2 of product in sewer using dusting application equipment.

This product may be used in homes, restaurants, markets, schools, warehouses, factories, offices, hotels, motels, hospitals, nursing homes, garages, grocery stores, apartment buildings, new construction, industrial plants, theatres, ships, boats, trains, trucks, yachts, camps, mobile homes, buses, zoos, kennels, military bases, libraries, utilities and sewers.

1/ Insert product rate: e.g. 1 cup per gallon of water.

2/ Insert product rate: e.g., 1 lb. per sewer manhole.

LABEL FORMAT 2

FRONT, BACK OR SIDE PANEL (continued)

Reapply as necessary. Any powder visible after application must be brushed into cracks and crevices or removed. Apply only in areas inaccessible to children and pets. Do not use in edible product areas of food handling establishments, restaurants or other areas where food is commercially prepared, or processed. Do not use in serving areas while food is exposed. Avoid contamination of feed and foodstuffs.

DISPOSAL

Do not reuse empty container. Wrap container and place in trash collection.

DISPOSAL

See guidance package for appropriate storage and disposal statements for containers greater than 5 lbs.
