NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

- submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
- Make the labeling changes listed below before you release the product for shipment:
 - Add the phrase "EPA Registration No. 53033-3."
 - Include the EPA Establishment Number on the label where it is referenced.
 - In order to comply with a new policy (September 11, 1984) for effluent discharge statements for use on manufacturing-use pesticides and end-use products with discharge potential such as cooling tower uses, pulp and paper mill, leather tanning, textile treatment and wood preservative operations, revise the Environmental Hazards section as indicated below:

This product is toxic to fish. Do not apply in marine and/or estuarine oil fields. Do not discharge effluent
