

Reviewed. Registrant claims to be in accordance with  
Registration of Pesticide Product Guidance for Phase 2  
Announcement, Page 2.12, Active to Inert Change in Status.

**SYNTHOLENE RR** both cleans and sanitizes. It works effectively in either soft or hard water (500 ppm calculated as CaCO<sub>3</sub> based on the A.O.A.C. Germicidal and Detergent Sanitizer's Official Method). Use Syntholene RR for sanitizing and cleaning walls, floors, washrooms and other hard surfaces. It deodorizes the surfaces without leaving any objectionable odors.

#### DIRECTIONS FOR USE

Refer to our Bulletin FD-1908. It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

#### FOR INSTITUTIONAL AND INDUSTRIAL USE

Hotels, Restaurants, Schools, Laboratories and Similar Industrial Outlets

**For Cleaning and Sanitizing of Non-Food Contact Surfaces:** For general cleaning and sanitizing of walls, floors, mirrors and other hard surfaces, use 1-2 ounces of Syntholene RR per gallon of water and follow the normal cleaning procedure.

**For General Disinfection of Non-Food Contact Surfaces:** For general disinfection of walls, floors and other hard surfaces, 1 ounce of Syntholene RR per quart of water is recommended.

#### ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. Keep out of lakes, streams or ponds. Treated effluent may not be discharged into lakes, streams, ponds or public waters without a valid discharge permit. For guidance, contact the regional office of the Environmental Protection Agency.

#### PHYSICAL AND CHEMICAL HAZARDS

Do not add to chlorinated cleaners or chlorine-based sanitizers, as it will react and may generate hazardous gases. Not compatible with soaps and anionic synthetic detergents.

### DANGER

**DANGER: CAUSES EYE DAMAGE AND SKIN IRRITATION. DO NOT GET IN EYES, ON SKIN OR ON CLOTHING. FATAL IF SWALLOWED. WASH THOROUGHLY AFTER HANDLING. WEAR GOGGLES AND RUBBER GLOVES. AVOID CONTAMINATION OF FOOD.**

### STATEMENT OF PRACTICAL TREATMENT

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. Consult a physician if irritation persists. Rinse contaminated clothing before reuse. If swallowed, drink promptly a large quantity of water. Do not induce vomiting. Avoid alcohol.

### PROHIBITIONS

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Do not reuse container.

### PESTICIDE DISPOSAL

Do not contaminate food or feed by storage, disposal or cleaning of equipment. Waste resulting from the use of this pesticide should be disposed of on site or at an approved waste disposal facility.

### STORAGE AND CONTAINER DISPOSAL

Keep container closed and store in a cool, dry place when not in use. In case of spill, flood area with large quantities of water and absorbent material. Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by other means if allowed by state and local authorities, by burning. If burned, stay out of smoke. Pesticide wastes are acutely toxic. Improper disposal of excess pesticide, spray mixture or residue is a violation of Federal Law. If these wastes cannot be disposed of according to label instructions, contact your State Pesticide or Environmental Control Agency, or the nearest EPA Regional Office for guidance.
