SUBJECT: Applications for Pesticide Notification per PR Notice 2007-4
Agnique® MMF GR Mosquito Larvacide & Pupicide EPA Reg. No. 53263-30
Skintex MRIII-2008B Manufacturing Concentrate EPA Reg. No. 53263-32
Applications Dated August 27, 2009

Dear Ms. Anastasiou:

The Agency is in receipt of your Applications for Pesticide Notification under Pesticide Registration Notice (PRN) 2007-4. The Registration Division (RD) has conducted a review of these requests for their applicability under PRN 2007-4 and finds that the label changes requested fall within the scope of this PRN. The labels have been date-stamped "Notification" and will be placed in our records.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identify the batch of the pesticide distributed and sold be placed on nonrefillable containers. The code may appear either on the label (and can be added by non-notification/PR Notice 98-10) or durably marked on the container itself.

If you have any questions, please contact me directly at 703-305-6249 or Terri Stowe of my staff at 703-305-6117.

Sincerely,

Linda Arrington

SUBJECT: Cognis Corporation
SKINTEX MR111-2008B Manufacturing Concentrate (EPA Reg. No. 53263-32)
Notification per PR Notice 2007-4

Dear Ms. Nesci:

On behalf of Cognis Corporation, I am submitting a notification for the product, **Agnique MMF GR Mosquito Larvicide & Pupicide (EPA Reg. No. 53263-32)**. The purpose of this notification is to revise the storage and disposal language in accordance with PR Notice 2007-4.

Notification of label change per PR Notice 2007-4. This notification is consistent with the guidance in PR Notice 2007-4 and the requirements of EPA's regulations at 40 CFR §§ 156.10, 156.140, 156.144, 156.146, and 156.156. No other changes have been made to the labeling or the Confidential Statement of Formula for this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statements to EPA. I further understand that if the amended label is not consistent with the requirements of 40 CFR §§ 156.10, 156.140, 156.144, 156.146 and 156.156, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

Enclosed please find the following documents in support of this notification:

1. Application for Pesticide Notification;
2. One (1) copy of the product label with changes highlighted; and,
3. Two (2) copies of the label.

Thank you for your assistance with this submission. If you have any questions or need additional information, please call me at 202-393-3903 ext. 19 or e-mail me at georgia@lewisharrison.com.

Sincerely,

Georgia Anastasiou

Skintex MRIII-2008B

Manufacturing Concentrate

For Formulating Use Only in the Production of
Insecticide-Treated Apparel Products

Active Ingredient:

Permethrin*12.5%
Other Ingredients: 87.5%
TOTAL:100.0%

* *cis/trans* ratio: 42% (\pm) *cis* (max.) and 58% (\pm) *trans* (min.)

KEEP OUT OF REACH OF CHILDREN
CAUTION

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

Caution. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wear protective eyewear when handling this product. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

FIRST AID

If in eyes	• Hold eye open and rinse slowly and gently with water for 15-20 minutes.
	• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.
	• Call a poison control center or doctor for treatment advice.

KEYLINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-254-1029 for emergency medical treatment information.

ENVIRONMENTAL HAZARDS

This product is extremely toxic to fish and aquatic invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other bodies of water unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or the Regional Office of the Environmental Protection Agency.

PHYSICAL OR CHEMICAL HAZARDS

Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Only for formulation into an insecticide for impregnation into outer apparel and fabric products, such as netting, tents, shelters, awnings, truck covers, hunting blinds, backpacks, and sleeping bag shells, to repel mosquitoes, ticks, ants, fleas, flies, and spiders. DO NOT APPLY TO UNDERWEAR.

Formulators using this product are responsible for obtaining USEPA registration for their formulated product which may be labeled for use patterns listed on this label.

Application Instructions:

Skintex MRIII-2008B Manufacturing Concentrate is designed to be used with two binding agents, Cognis 3001-A and Cognis 3002-A, along with water. The typical amount of each component in the mixture is 6% Skintex MRIII-2008B, 8% Cognis 3001-A, and 0.3% Cognis 3002-A, with water as the remainder. The specific amount of water used will vary depending on the specific application of the textile mill. Please refer to the Technical Data Sheets provided with the Cognis 3001-A and 3002-A binding agents for exact amounts of products to be utilized when treating individual fabric/apparel types.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Pesticide Storage: Keep in original container and store in a cool, dry place. Protect from excessive heat. Do not store near heat or open flame.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Nonrefillable container. Do not reuse or refill container. Triple rinse (or equivalent) promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container 1/4 full with water. Replace and tighten closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Repeat this procedure two more times. Then offer for recycling if available or puncture and dispose of in a sanitary landfill, or by other approved state and local procedures.

WARRANTY

Cognis Corporation makes no warranty, express or implied, of merchantability, fitness, or otherwise concerning the use of this product other than as indicated on the label. User assumes all risks, storage, or handling not in strict accordance with the label.
