Gentlemen:

Subject: Ercopure 25  
EPA Registration No. 53345-14  
Your Resubmission Dated September 1, 1992

This is in response to your resubmission of the above date to amend this registration to include directions for an alternate generation method. The following comment applies.

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comment listed below. A stamped copy is enclosed for your records. Five copies of the finished labeling must be submitted before you release the product for shipment.

1. Under the heading "Directions For Use" delete the words "General Classification."
2. In the "If Swallowed" statement, delete "Immediately drink large quantities of milk, egg whites or gelatin solutions. If these are not available." The "If Swallowed" statement should read as indicated on the previously submitted label "Promptly drink large quantities of water . . . ."

Sincerely yours,

Ruth G. Douglas
