UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

Ms. Kathy Bolan
Pacific Biocontrol Corporation
575 Viewridge Drive
Angwin, CA 94508

DEC 12 2013

Subject: Pacific Biocontrol Corporation; PB-Rope L, EPA Registration No. 53575-15;
Amendment to Storage Statement, Hotline Number and EPA Est. #; D# 481786,
Application Dated 8/8/13

Dear Ms. Bolan:

The amendment referred to above, submitted in connection with registration under FIFRA section 3(c)(7)(A), is acceptable provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Submit two (2) copies of your final printed labeling before you release the product for shipment. Final printed labeling means the label or labeling of the product when distributed or sold. Clearly legible reproductions or photo reductions will be accepted for unusual labels, such as those silk-screened directly onto glass or metal containers or large bags or drum labels.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(b). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

If you have any questions contact Chris Pfeifer at 703-308-0031 or by email at: pfeifer.chris@epa.gov.

Sincerely,

Sheryl K. Reilly, Associate Branch Chief
Biochemical Pesticides Branch
Biopesticides and Pollution
Prevention Division (7511P)

ACCEPTED

DEC 12 2013

LOT #

Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 53575-15

PB-ROPE L

A MATING DISRUPTION FORMULATION FOR PINK BOLLWORM (*Pectinophora gossypiella*)

ACTIVE INGREDIENTS:	
(Z, E)-7, 11-Hexadecadien-1-yl Acetate	46.70 %
(Z, E)-7, 11-Hexadecadien-1-yl Acetate	44.15 %
OTHER INGREDIENTS 9.15 %	
TOTAL	100.00 %
133.55 mg active ingredients per dispenser	

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Avoid contact with skin, eyes or clothing. Harmful if absorbed through skin. Causes moderate eye irritation. Wear chemical resistant gloves. After handling, wash thoroughly with soap and water before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

FIRST AID STATEMENT

- IF ON SKIN**
 - Remove contaminated clothing.
 - Immediately rinse skin for 15-20 minutes using plenty of water.
- OR CLOTHING:**
 - Contact a poison control center or doctor for treatment advice.
- IF IN EYES:**
 - Hold eyes open, slowly and gently rinse with water for 15-20 minutes. If wearing contact lenses, rinse eyes for 5 minutes, remove contact lenses, then continue rinsing.
 - Contact a poison control center or doctor for treatment advice.
- HOT LINE NUMBER:**
 - Have the product container or label with you when contacting a poison control center or doctor, or going for treatment. You can call the poison control center at 1-800-222-1222.
 - You may also contact Pacific Biocontrol at 1-800-999-8805 for additional information.

ENVIRONMENTAL HAZARDS

For terrestrial uses: Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of this product.

MADE IN JAPAN
EPA Est. No: 47265-JPN-01
EPA Reg. No: 53575-15

NET CONTENTS: 500 Dispenser Units
One dispenser contains 0.0056 fl oz or 147 mg
Total content of package: 2.81 fl oz or 73.5 g

DIRECTIONS FOR USE

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

It is CRITICAL that PB-ROPE L is applied as directed.

Crops	Cotton, okra.
Target Pests	Pink bollworm (<i>Pectinophora gossypiella</i>).
Rate	100-200 dispensers per acre or 250-500 dispensers per hectare (0.51-1.02 fl oz or 13.36-26.71 g a.i. per acre). Do not exceed 150 g a.i. (or 1123 dispensers) per acre per year.
Application	a. Twist dispensers securely around the main stem near the bottom of the plant or to stakes placed uniformly within the treated field. Dispensers twisted too tightly can constrict stem growth. Avoid placing dispensers in contact with the soil. b. Apply immediately prior to moth emergence in the field or adjoining area. c. Dispensers must be applied uniformly throughout the treated acreage to obtain a reduction in mating.
Timing	Attach dispensers at pinsquare in cotton (first flower bud formation in okra). Consult your local pest control advisor or Pacific Biocontrol representative for proper timing or estimated dispenser longevity in your area.
Note	PB-Rope L suppresses mating of target pest. Immigration of mated female moths of this species from adjacent external sources of infestation will reduce the level of control. Manage by: a. Treatment of external sources of infestation with PB-Rope L. b. Treatment of external sources of infestation with an effective insecticide. c. Treatment of pheromone treated orchard with insecticide. Areawide application is most effective. Supplementary applications of insecticide are advised when PB-Rope L is used in fields with high pest populations. All pests must be monitored so that timely intervention with insecticides is possible.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage	Store in original unopened package in a dry location at temperatures below 40°F. To prevent contamination with food or feed, store only unopened product packages in cold storage facilities that are used for food or feed.
Pesticide Disposal	Wastes resulting from this product may be disposed of on site or at an approved waste disposal facility.
Container Disposal	Nonrefillable container. Do not reuse or refill this container. Dispose of empty foil packets in the trash.

WARRANTY AND LIMITATION OF DAMAGES

The directions for use of this product are believed to be adequate and must be followed carefully. Pacific Biocontrol Corporation warrants that the product complies with the specifications expressed in this label. To the extent consistent with applicable law, Pacific Biocontrol Corporation makes no other warranties, and disclaims all other warranties, expressed or implied, including but not limited to warranties of merchantability and fitness for a particular purpose or otherwise, that extend beyond the statements made on this label. To the extent consistent with applicable law, Pacific Biocontrol Corporation's liability or default, breach or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Pacific Biocontrol Corporation shall have no liability for damages (special, consequential or incidental) that result from handling, storage and use of this product, which is not in compliance with the label. Use of this product implies all directions of this label have been read carefully. Read all directions carefully.
