UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

NOV - 7 2008

Ms. Kathy Bolan
Pacific Biocontrol Corporation
575 Viewridge Drive
Angwin, CA 94508

Subject: Product Name: Isomate OBLR/PLR Plus
EPA Registration No. 53575-24
Label Amendment to add current advisory and mandatory statements; adoption of current container disposal statements; update pesticide storage; update net contents to two decimal places; reworded "Crops" under Directions for Use; maximum rate in dispensers under Directions for Use; updated "Application" under Direction for Use; updated "Timing" under Directions for Use; updated "Note" under Directions for Use; revision of warranty statement.
Application Dated: September 3, 2008

Dear Ms. Bolan:

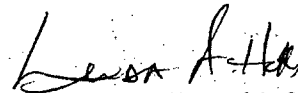

The amendment referred to above, submitted in connection with registration under FIFRA section 3(c)(5), is acceptable provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Submit three (3) copies of your final printed labeling before you release the product for shipment. Final printed labeling means the label or labeling of the product when distributed or sold. Clearly legible reproductions or photo reductions will be accepted for unusual labels, such as those silk-screened directly onto glass or metal containers or large bags or drum labels.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(b). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

If you have any questions contact Andrew Bryceland at 703-305-6928 or by email at: bryceland.andrew@epa.gov. A stamped copy of the label is enclosed for your records.

Sincerely,

Linda A. Hollis, Chief

Biocides Pesticides Branch

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**
Avoid contact with skin, eyes or clothing. Harmful if absorbed through skin. Causes moderate eye irritation. After handling, wash thoroughly with soap and water before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

FIRST AID STATEMENT
IF ON SKIN ▪ Remove contaminated clothing.
OR ▪ Immediately rinse skin for 15-20 minutes using plenty of water.
CLOTHING: ▪ Contact a poison control center or doctor for treatment advice.
IF IN EYES: ▪ Hold eyes open, slowly and gently rinse with water for 15-20 minutes. If wearing contact lenses, rinse eyes for 5 minutes, remove contact lenses, then continue rinsing.
 ▪ Contact a poison control center or doctor for treatment advice.

HOT LINE NUMBER: Have the product container or label with you when contacting a poison control center or doctor, or going for treatment. For emergency information on this product, call the **National Pesticides Information Center** at 1-800-858-7878, 6:30AM to 4:30PM Pacific time (PT), seven days a week. During other times, call the poison control center at 1-800-222-1222. You may also contact Pacific Biocontrol at 1-800-999-8805 for additional information.

ENVIRONMENTAL HAZARDS
For terrestrial uses: Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of this product.

PACIFIC BIOCONTROL CORPORATION

Telephone (360) 571-2247 or 1-800-999-8805
MADE IN JAPAN
EPA Est No: 47265-JP-01
EPA Reg. No: 53575-24
NET CONTENTS: 400 Dispenser Units
One dispenser contains 0.0099 fl oz or 255.45 mg
Total content of package: 3.95 fl oz or 102.18 gm.
ISOMATE® is a registered Trademark of Pacific Biocontrol Corporation.

DIRECTIONS FOR USE
IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.
It is CRITICAL that ISOMATE-OBLR/PLR PLUS is applied as directed.

| | |
|--------------------|--|
| Crops | Apples, pears and other pome fruits; peaches, apricots, plums, cherries and other stone fruits. |
| Target Pest | Obliquebanded leafroller (<i>Choristoneura rosaceana</i>) and pandemis leafroller (<i>Pandemis pyrusana</i>). |
| Rate | Minimum of 200 dispensers per acre (1.75 fl oz or 45.36 gm a.i. per acre) or 500 dispensers per hectare. Maximum of 400 dispensers per acre or 1000 dispensers per hectare (3.5 fl oz or 90.73 gm a.i. per acre). Apply double rate of dispensers to edges of orchard. Do not exceed 150 gm (or 663 dispensers) a.i. per acre per year. |
| Application | Place dispensers on lateral branches in upper third of tree canopy. Apply dispensers uniformly in the treated area. |
| Timing | Apply prior to leafroller emergence in the spring. If subsequent applications are required, apply prior to the start of subsequent flights. Consult your local pest control advisor or Pacific Biocontrol representative for proper timing or estimated dispenser longevity in your area. |
| Note | Isomate-OBLR/PLR Plus suppresses mating of target pests. Immigration of mated female moths of these species from adjacent external sources of infestation will reduce the level of control. Manage by: a. Treatment of external sources of infestation with Isomate-OBLR/PLR Plus. b. Treatment of external sources of infestation with an effective insecticide. c. Treatment of pheromone treated field with insecticide. Area-wide application is most effective. Supplementary applications of insecticide are advised when Isomate-OBLR/PLR Plus is used in orchards to control high populations. All pests must be monitored on a regular schedule so that timely intervention with conventional insecticides is possible. |

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal.
Pesticide Storage Store in original unopened package in a dry location at temperatures below 40°F. Do not store in cold facilities used for food.
Pesticide Disposal Wastes resulting from this product may be disposed of on site or at an approved waste disposal facility.
Container Disposal Nonrefillable container. Do not reuse or refill this container. Dispose of empty foil packet in the trash.

WARRANTY AND LIMITATION OF DAMAGES
All statements concerning the use of this product apply only when used as directed. Pacific Biocontrol Corporation warrants that the product complies with the specifications expressed in this label. To the extent consistent with applicable law, Pacific Biocontrol Corporation makes no other warranties, and disclaims all other warranties, expressed or implied, including but not limited to warranties of merchantability and fitness for a particular purpose or otherwise, that extend beyond the statements made on this label. To the extent consistent with applicable law, Pacific Biocontrol Corporation's liability or default, breach or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Pacific Biocontrol Corporation shall have no liability for damages (special, consequential or incidental) that result from handling, storage and use of this product, which is not in compliance with the label. Use of this product implies all directions of this label have been read carefully. Read all directions carefully.
