Subject: Label Amendment to Revise the Storage and Disposal Statement to Allow  
Unopened Product Packages in Food or Feed Cold Storage Areas and Other Minor Label  
Changes  
Product Name: Isomate DWB  
EPA Reg. No: 53575-40  
Your Submission Dated August 1, 2013

Dear Ms. Bolan:

The amendment referred to above, submitted in connection with registration under FIFRA section 3(c)(5), is acceptable provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Submit five (5) copies of your final printed labeling before you release the product for shipment. Final printed labeling means the label or labeling of the product when distributed or sold. Clearly legible reproductions or photo reductions will be accepted for unusual labels, such as those silk-screened directly onto glass or metal containers or large bags or drum labels.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions. Should you have any questions regarding this action, you may contact Gina Burnett at (703) 605-0513 or via email at [burnett.gina@epa.gov](mailto:burnett.gina@epa.gov). A stamped copy of the label is enclosed for your records.

Sincerely,

Linda A. Hollis, Chief for  
Biochemical Pesticides Branch  
Biopesticides and Pollution  
Prevention Division (7511P)

LOT #

Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 53575-40

**ISOMATE® DWB**

**A MATING DISRUPTION FORMULATION FOR DOGWOOD BORER (*Synanthedon scitula*)  
FOR ORGANIC PRODUCTION**

**ACTIVE INGREDIENTS:**

(Z,Z)-3,13-Octadecadien-1-yl Acetate	79.84 %
(E,Z)-2,13-Octadecadien-1-yl Acetate	5.46 %
(Z,Z)-3,13-Octadecadien-1-ol	1.50 %
(E,Z)-2,13-Octadecadien-1-ol	0.27 %
<b>OTHER INGREDIENTS</b>	<b>12.93 %</b>
<b>TOTAL</b>	<b>100.00 %</b>

55.12 mg active ingredients per dispenser

**KEEP OUT OF REACH OF CHILDREN  
CAUTION**

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

Avoid contact with skin, eyes or clothing. Harmful if absorbed through skin. Causes moderate eye irritation. After handling, wash thoroughly with soap and water before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

**FIRST AID STATEMENT**

- IF ON SKIN OR CLOTHING:**
  - Remove contaminated clothing.
  - Immediately rinse skin for 15-20 minutes using plenty of water.
  - Contact a poison control center or doctor for treatment advice.
- IF IN EYES:**
  - Hold eyes open, slowly and gently rinse with water for 15-20 minutes. If wearing contact lenses, rinse eyes for 5 minutes, remove contact lenses, then continue rinsing.
  - Contact a poison control center or doctor for treatment advice.
- HOT LINE NUMBER:**
  - Have the product container or label with you when contacting a poison control center or doctor, or going for treatment. You can call the poison control center at 1-800-222-1222.
  - You may also contact Pacific Biocontrol at 1-800-999-8805 for additional information.

**ENVIRONMENTAL HAZARDS**

For terrestrial uses: Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of this product.

**PACIFIC BIOCONTROL CORPORATION**

14615 NE 13th Court, Suite A, Vancouver, WA 98685 U.S.A.  
Telephone (360) 571-2247 or 1-800-999-8805  
www.pacificbiocontrol.com

**MADE IN JAPAN**  
EPA Est. No: 47265-JPN-01  
EPA Reg. No: 53575-40

**NET CONTENTS:** 500 Dispenser Units  
One dispenser contains 0.002 fl oz or 63.30 mg  
Total content of package: 1.22 fl oz or 31.65 g

ISOMATE® is a registered Trademark of Pacific Biocontrol Corporation.

**DIRECTIONS FOR USE**

**IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.**

**It is CRITICAL that ISOMATE DWB is applied as directed.**

**Crops** Apples and other pome fruits; plums, cherries and other stone fruits; pecans and other tree nut crops, blueberries and other berry crops and dogwood, crabapple, oak, birch, mountain ash, willow, pine and other ornamental nursery crops.

**Target Pests** Dogwood borer (*Synanthedon scitula*)

**Rate** Minimum of 100 dispensers per acre (0.21 fl oz or 5.51 g a.i. per application) for low populations areas and where dogwood borer mating disruption has been practiced for a number of years. Maximum of 200 dispensers per acre (0.42 fl oz or 11.02 g a.i. per application). Rate of 150 dispensers per acre (0.32 fl oz or 8.27 g a.i. per application) is recommended for the initial treatment year and for high populations, including around borders of treatment area. Do not exceed 150 g a.i. (or 2721 dispensers) per acre per year.

**Application** Dispensers should be placed on lateral branches at chest height within the tree.

**Timing** Apply in the spring before the end of May. It is important to apply prior to dogwood borer adult emergence. Consult your local pest control advisor or Pacific Biocontrol representative for proper timing or estimated dispenser longevity in your area.

**Note** Isomate DWB suppresses mating of target pest. Immigration of mated female moths of this species from adjacent external sources of infestation will reduce the level of control. Manage by:

- a. Treatment of external sources of infestation with Isomate DWB.
  - b. Treatment of external sources of infestation with an effective insecticide.
  - c. Treatment of pheromone treated orchard with insecticide.
- Area-wide application is most effective. Supplementary applications of insecticide are advised when Isomate DWB is used in orchards with high pest populations or adjacent to orchards with high pest populations. All pests must be monitored so that timely intervention with insecticides is possible.

**STORAGE AND DISPOSAL**

**Do not contaminate water, food or feed by storage or disposal.**

**Pesticide Storage** Store in original unopened package in a dry location at temperatures below 40°F. To prevent contamination with food or feed, store only unopened product packages in cold storage facilities that are used for food or feed.

**Pesticide Disposal** Wastes resulting from this product may be disposed of on site or at an approved waste disposal facility.

**Container Handling** Nonrefillable container. Do not reuse or refill this container. Dispose of empty foil packet in the trash.

**WARRANTY AND LIMITATION OF DAMAGES**

The directions for use of this product are believed to be adequate and must be followed carefully. Pacific Biocontrol Corporation warrants that the product complies with the specifications expressed in this label. To the extent consistent with applicable law, Pacific Biocontrol Corporation makes no other warranties, and disclaims all other warranties, expressed or implied, including but not limited to warranties of merchantability and fitness for a particular purpose or otherwise, that extend beyond the statements made on this label. To the extent consistent with applicable law, Pacific Biocontrol Corporation's liability or default, breach or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Pacific Biocontrol Corporation shall have no liability for damages (special, consequential or incidental) that result from handling, storage and use of this product, which is not in compliance with the label. Use of this product implies all directions of this label have been read carefully. Read all directions carefully.
