DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with the labeling. Dose HALOX at a 1:20,000 dilution for shock dosing of contaminated water for a period not to exceed 2 weeks. Regular dosing is continued at a dilution of 1:100,000 in water. Consult your HALOX representative for specific instructions prior to use.

PHYSICAL OR CHEMICAL HAZARDS

Strong oxidizing agent. **DO NOT** mix with acids or other chemicals except water. Mixing with acids or other chemicals may cause evolution of chlorine dioxide gas which is poisonous and explosive. Store in a cool dry place away from direct sunlight. Dispose of spilled material by flushing with large quantities of water.

DANGER: Keep out of reach of children

Statement of practical treatment

- If in eyes: Flush with plenty of water. Get medical attention.
- If on skin: Wash with plenty of soap and water. Get medical attention.
- If swallowed: Drink promptly a large quantity of milk, egg whites, gelatin solution or if these are not available, drink large quantities of water. Avoid alcohol. Get medical attention.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate use of gastric lavage.

PRECAUTIONARY STATEMENTS

Hazards to Humans and domestic animals

Shipping and handling

DANGER: Corrosive. causes eye and skin damage. Harmful if swallowed. Irritating to nose and throat. Avoid breathing vapor. Do not get in eyes, or skin, or in clothing. Wear goggles or face shield, rubber gloves and protective clothing when handling. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. Do not discharge effluent containing this active ingredient into lakes, streams, ponds, estuaries, oceans or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of EPA.

STORAGE AND CONTAINER DISPOSAL

Keep this product in a tightly closed container when not in use. Store in a cool, dry, well ventilated area away from heat or open flame. In case of decomposition, isolate container (if possible) and flood area with large amounts of water to dissolve all materials before discarding this container. Do not reuse empty container but place in trash collection. Do not contaminate food or feed by storage or disposal or cleaning of equipment.

PESTICIDE DISPOSAL

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.
