NAME OF PESTICIDE PRODUCT Bengal Roach Powder		

NAME AND ADDRESS OF REGISTRANT (include ZIP code)

Bengal Chemical, Inc.  
 c/o Eugene J. Gerberg  
 1330 Dillon Heights Avenue  
 Baltimore, MD 21228

**NOTE:** Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment:
  - a. Add the phrase "EPA Registration No. 53719-4."
  - b. A storage stability study performed on this product must be submitted within 15 months from the date of this Registration Notice. The product must be analyzed for active ingredient at time zero and for 1 year of storage at room temperature. It is suggested that readings be taken every 3 months.
  - c. The label claim for the percentage of ortho boric acid must be changed to 12.188%. This is your claimed lower limit on your Confidential Statement of Formula. The label claim may not exceed the lower limit.

---	-----------------------------------

- d. Since this product contains a highly flammable propellant, the **PHYSICAL OR CHEMICAL HAZARDS** section must be revised in accordance with PR Notice 87-8:

PHYSICAL OR CHEMICAL HAZARDS

**EXTREMELY FLAMMABLE.** Do not use or store near fire, sparks, or heated surfaces. Turn off pilot lights in gas appliances and unplug or turn off electrical equipment in the use area. After airing out phase is completed, relight pilot lights and reconnect electrical current. Do not smoke in the use area. Contents under pressure. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Incineration of container may cause explosion.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

## DIRECTIONS FOR USE, SHAKE WELL (FLAMMABLE)

For use in Households, Hospitals, Restaurants, Warehouses, Office Buildings, Hotels, Kennels, Aboard Ships and Aircraft, Garages, Theatres and Schools.

(It is a Violation of Federal Law to use this product in a manner inconsistent with its labeling.)

Shake Well, Frequently.

Spray under Kitchen Cabinets, behind Toilet Bowls, under Furniture or any hidden areas where roaches hide. The powder clings and may be sprayed on vertical surfaces or over head. Any visible overspray can be wiped off with a damp cloth. The powder stays in place permanently until consumed by the insect pest.

### CAUTION:

### PRECAUTIONARY STATEMENTS:

#### HAZARDS TO HUMANS AND DOMESTIC ANIMALS.

Harmful or irritating if swallowed, inhaled or absorbed through the skin. Contains Boric Acid Powder. Do not induce vomiting. In case of contact simply wash off with soap and water. Do not spray where powder can contact food or food processing equipment. Do not spray onto household pets.

#### PHYSICAL AND CHEMICAL HAZARDS:

Contents under pressure. Do not puncture or incinerate. Do not use near open flames.

#### STORAGE AND DISPOSAL:

Storage: Store in a cool area away from heat or open flame.  
Disposal: Exposure to temperatures above 130°F may cause bursting. Flammable. Wrap container in several layers of newspaper and discard in trash.
