FOR USE IN HOUSEHOLDS, HOSPITALS, RESTAURANTS, WAREHOUSES, OFFICE BUILDINGS, MOTELS, KENNELS, GARAGES, THEATERS AND SCHOOLS

DIRECTIONS FOR USE It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.
TREATS UP TO 8,000 CU. FEET

TO ACTIVATE FOGGER: Close all doors and windows. Extinguish all open flames except pilot lights. Remove any pets or animals. Cover exposed food, turn off fans and air conditioners. Place the fogger on a table or on the floor and firmly depress the actuator tab. Do not inhale the fumes; leave the dwelling. May return after one hour. Open doors and windows to clear the air. (Leaves no unpleasant odor. For best results on fleas, use in conjunction with Bengal Indoor Flea and Tick Killer.)

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION

Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Harmful if inhaled or absorbed through the skin. Avoid breathing of vapors. Avoid contact with skin, eyes or clothing. Causes moderate eye injury. Wash thoroughly with soap and water after handling. Do not use in commercial food processing or preparation areas. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Cover exposed food. In hospitals, remove all patients prior to treatment. Ventilate area for 2 hours before returning patients. Remove pets, birds and cover aquariums before using.

STATEMENT OF PRACTICAL TREATMENT
IF ON SKIN: Wash with soap and water. Get medical attention.
IF IN EYES: Flush with plenty of water. Get medical attention if irritation persists. **IF INHALED:** Remove to fresh air. Apply artificial respiration if indicated.

PHYSICAL HAZARDS OR CHEMICAL HAZARDS
Flammable. Contents under pressure. Keep away from heat, sparks and open flame. Do not use this product in or on electrical equipment due to the possibility of shock hazard. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

STORAGE AND DISPOSAL
Storage: Store in a cool area away from heat or open flame.
Disposal: Replace cap, wrap in newspaper and discard in trash. Do not incinerate or puncture.
