 X Registration
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Bengal Chemical , Inc.
P.O. Box 40487
Baton Rouge, LA 70835

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 53719-22".
- b. Delete the statements "NEW AND IMPROVED" and "GUARANTEED TO WORK".
- c. Delete the Environmental Hazard statement. It is not appropriate for this product since it is only used indoors.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For use in households, schools, warehouses, office buildings, theaters, garages, hotels, motels and kennels.

TO KILL COCKROACHES, ANTS AND CRICKETS: Spray on floors along baseboards in the kitchen and baths. Special attention should be paid to areas around refrigerators and entry points such as doors, windows, vents, pipes, etc.

TO KILL FLYING INSECTS (mosquitoes, houseflies and gnats): Close space to be treated. Spray above head with a sweeping arm motion 3 feet from surfaces. Spray 10 seconds per 1,000 cubic feet of space. Keep treated areas closed for at least 30 minutes after spraying. Ventilate area before re-entry. Repeat as necessary.

TO KILL SOWBUGS, CENTIPEDES, SILVERFISH, FIREBRATS AND SPIDERS: Contact as many insects as possible with the spray. Also thoroughly spray all parts of the room suspected of harboring these pests. Special attention should be paid to cracks, crevices, hidden surfaces under sinks and behind refrigerators.

TO KILL FLEAS AND BROWN DOG TICKS: Remove and destroy pet's old bedding. Spray sleeping quarters of pets, around baseboards, window and door frames, wall cracks and local areas of floors. Repeat as necessary.

DO NOT SPRAY ANIMALS. Old bedding should be removed and replaced with clean, fresh bedding after treatment. Also treat dogs and cats with a flea and tick control product registered for use on pets before allowing them to enter treated area.

STORAGE: Store in a cool area away from heat or open flame. **DISPOSAL:** Replace cap, wrap in newspaper and discard in trash. Do not incinerate or puncture.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing of vapors. Avoid contact with skin, eyes or clothing. Do not use in commercial food processing or preparation areas. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Cover exposed food. Remove pets, birds and cover aquariums before using.

Statement of Practical Treatment

If On Skin: Wash with soap and water. Get medical attention if irritation persists. **If In Eyes:** Flush with plenty of water. Get medical attention if irritation persists. **If Inhaled:** Remove to fresh air. Apply artificial respiration if indicated. **If Swallowed:** Call a physician or poison control center.

Physical or Chemical Hazards

Contents under pressure. Do not use or store near heat or open flame. Do not use this product in or on electrical equipment due to the possibility of shock hazard. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

Environmental Hazards

Do not apply directly to water or wetlands (swamps, bogs, marshes and potholes). Cleaning of equipment or disposal of wastes must be done in a manner that avoids contamination of bodies of water or wetlands.
