Gentlemen:

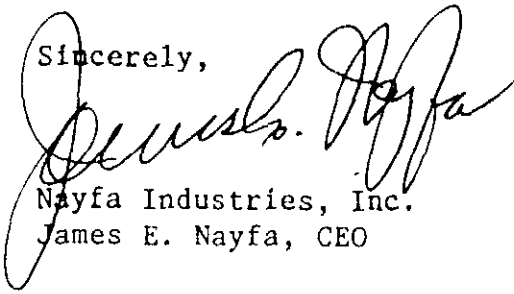

I am writing you this letter in reference to your EPA 737-N-95-001.

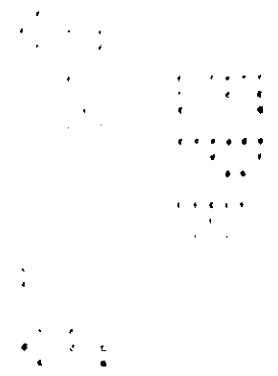

P-7 Grain Preservative was approved by the EPA, Team 21 in Washington DC on February 16, 1995. We are now in the process of putting a sales program together.

Our P-7 label was approved by them also. Nevertheless, I am enclosing a copy of the label and the disposal and usage as per your quotation paragraph on page 1 of your 737 notice. One of each of the enclosed label will be on every container that we pack for shipment.

"I certify that this notification is consistent with PR 95-1 and EPA regulations at 40 CFR 152.46 and that no other changes have been made to the labeling of this product. I further understand that if this notification is not consistent with the terms of PR Notice 95-1 and 40 CFR 152.46, then this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA."

Sincerely,

Nayfa Industries, Inc.
James E. Nayfa, CEO

DANGER!

PRECAUTIONARY STATEMENTS.

HAZARDS TO HUMANS

CORROSIVE, CAUSES IRREVERSIBLE EYE DAMAGE, HARMFUL IF INHALED OR ABSORBED THROUGH SKIN. DO NOT GET IN EYES, ON SKIN, OR ON CLOTHING. WEAR GOGGLES, FACE SHIELD, OR SAFETY GLASSES. AVOID BREATHING VAPOR OR SPRAY MIST AND CONTACT WITH SKIN. WASH THOROUGHLY WITH SOAP AND WATER AFTER HANDLING. REMOVE CONTAMINATED CLOTHING AND WASH BEFORE REUSE.

STATEMENTS OF PRACTICAL TREATMENT.

IF IN EYES: CALL A PHYSICIAN. HOLD EYELIDS OPEN AND FLUSH WITH A STEADY GENTLE STREAM OF WATER FOR 15 MINUTES. GET MEDICAL ATTENTION.

IF SWALLOWED: DRINK PROMPTLY A LARGE QUANTITY OF MILK, EGG WHITE, GELATIN SOLUTION, OR, IF THESE ARE NOT AVAILABLE, DRINK LARGE QUANTITIES OF WATER. AVOID ALCOHOL.

IF INHALED: REMOVE VICTIM TO FRESH AIR. IF NOT BREATHING GIVE ARTIFICIAL RESPIRATION, PREFERABLE MOUTH TO MOUTH. GET MEDICAL ATTENTION

IF ON SKIN: WASH WITH PLENTY OF SOAP AND WATER. GET MEDICAL ATTENTION.

NOTE TO PHYSICIAN: PROBABLE MUCOSAL DAMAGE MAY CONTRAINDICATE THE USE OF GASTRIC LAVAGE.

PHYSICAL OR CHEMICAL HAZARDS: COMBUSTIBLE. DO NOT USE, POUR, SPILL, OR STORE NEAR HEAT OR OPEN FLAME.

ENVIRONMENTAL HAZARDS: DO NOT CONTAMINATE WATER WHEN DISPOSING OF EQUIPMENT WASHWATERS. DO NOT APPLY P-7 TO SEED CROPS.

DIRECTIONS FOR USE

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH LABELING.

APPLICATION: P-7 is suggested for application directed below immediately after harvest to prevent fungal growth in stored corn, milo, barley, wheat, oats, rice, peanuts, soybeans and cotton seed.

Pounds per ton of grain with the following respective percent moisture content.											
Moisture Content %	10-15	18	20	22	24	26	28	30	32	34	38
Pounds of P-7	2	3	4	4	4	4	4	6	6	6	6

APPLY UNDILUTED, by use of low pressure spray nozzles achieving uniform coverage as grain passes through applicator. Stop grain flow immediately in event of spray failure or nozzle plugging. Concentration of untreated grain may develop fungal growth which may spread and spoil all grain in the bin. Clean bins, silos, store room thoroughly before storing grains. Increasing the suggested rate of application in the table by 25% for the top 10% of the grain placed in each storage bin will provide additional protection against the effect of normal moisture migration in the grain during storage. These rates protect stored corn, sorghum, wheat, oats or barley up to 12 months.

STORAGE AND DISPOSAL

STORAGE: Do not contaminate water, food, or food by storage or disposal.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

WARRANTY AND LIMITATION OF LIABILITY

P-7 Grain Preservative is warranted to conform to the chemical description hereon, and to be reasonably for the described use when applied strictly in accordance with direction. THERE ARE NO OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING THOSE OF MERCHANTABILITY OR FITNESS FOR PURPOSE. Factors beyond the control of NAYFA INDUSTRIES, INC. and its marketing affiliates prevent them from assuming responsibility for damage to other property, including plants and crops, even when this product is applied according to directions. Buyer and User assume all risks beyond the above warranty. In no event shall the liability of NAYFA INDUSTRIES, INC. and its marketing affiliates exceed the purchase price hereof.
