DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. STIMUKIL Fly Bait is an improved fly bait formula containing a sex attractant and feeding synergists which encourages both male and female flies to remain in the treated area and stimulates vigorous feeding on the bait. Bait should be scattered over specified fly feeding surfaces daily or as needed to provide initial knock-down and reduction of fly populations. Distribute bait from container or other device to avoid handling bait.

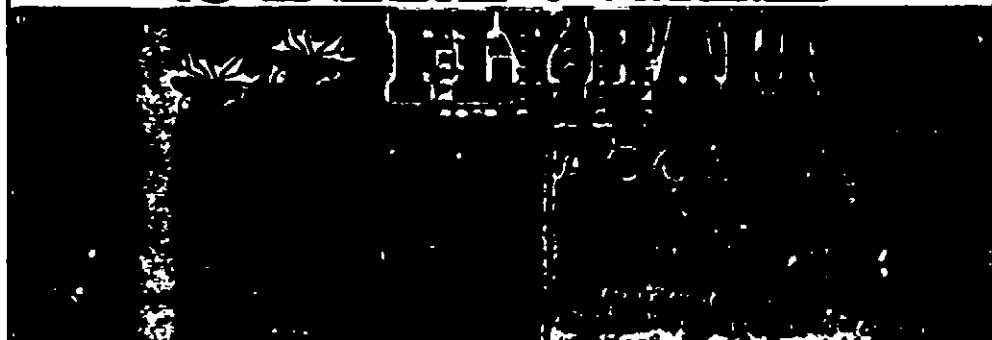

PERSONAL PROTECTIVE CLOTHING: Use only when wearing the following personal protective clothing during loading, application, repairing and cleaning of application equipment, and disposal of the pesticide: long sleeved shirt, long-legged pants, shoes and socks, gloves.

IMPORTANT: If pesticide comes in contact with skin, wash off with soap and water.

ALWAYS WASH HANDS, FACE, AND ARMS WITH SOAP AND WATER BEFORE USING TOBACCO PRODUCTS, EATING, DRINKING, OR TOILETING. Use STIMUKIL Fly Bait only around the outside of feed lots, broiler houses, livestock barns, kennels, fast food establishments, canneries, beverage plants, meat and poultry processing plants, commissaries, bakeries, supermarkets, refuse dumpsters, food processing plants, and restaurants. Bait may be used on walkways in caged layer houses. Scatter bait (do not put in piles) at the rate of approximately 1/4 lb. per 500 sq. ft. of fly feeding area, keeping 1 to 2 inch intervals between particles. Do not treat areas where animals can feed on bait.

STORAGE & DISPOSAL: Do not contaminate water, food or feed by storage or disposal. **Pesticide Disposal:** Pesticide or rinsate that cannot be used according to label instructions must be disposed of according to applicable Federal, State, or local governmental procedures. **Waste Disposal:** Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. **Container Disposal:** Triple rinse and dispose of according to local governmental procedures.

STIMUKIL®

as allowed, for the pesticide registered under EPA Reg. No. 53871-3

ACTIVE INGREDIENTS:

(7)-9-Tricosene	0.025%
Methomyl (S-Methyl-N-[(Methylcarbamoyl)oxy]thioacetamide)	1.000%
INERT INGREDIENTS:	98.975%
Total	100.00%

CAUTION: KEEP OUT OF REACH OF CHILDREN

Read Entire Label for Additional Cautions

NET WT. 45 lbs.
