- c. Under PRECAUTIONARY STATEMENTS, HUMANS: 1) remove the comma in the first sentence and replace with "or if". 2) Add the following sentence: "Remove contaminated clothing and wash clothing before resuse." 3) In the third sentence, remove "...and skin" and replace with "...or clothing". 4) In the fourth sentence, following the word "handling", add "and before smoking or eating."
- d. Change the information provided under ENVIRONMENTAL HAZARDS to read: "This product is extremely toxic to fish and aquatic organisms. Do not apply directly to any body of water. Do not contaminate water when disposing of equipment washwater. This pesticide is toxic to honey bees and other beneficial pollinators exposed to an application. Do not apply when bees are actively visiting blooming plants (vegetables, flowers, fruit/ornamental trees). Do not allow this product to come in direct contact with beehives at anytime."
- e. The retreatment statements should include a maximum frequency of application, such as: "... but not more than _____ times per ____."

)

J

i star

- f. You cited EPA Reg. No. 64321-8 as having labeling similar to what you are proposing on domestic animals. We note that on that label, the retreatment interval identified is identified as *three* weeks, not the *two* weeks you propose. You may either change the retreatment interval to read: "Reapply every three (3) weeks as needed" or you may supply the Agency with information supporting the reduced interval.
- g. Under USE DIRECTIONS, PETS, include the following statements: 1) Prior to "...dust the animals thoroughly", include "Wearing household latex or rubber gloves...". 2) Insert the following statement immediately following the designation of PETS: Use product only outside or in a well-ventilated area." 3) In the fourth sentence, add the following to the end of the statement, "...nose, mouth, and genital areas."
- h. Under HOME GARDENS, insert the following: "Start applying at the farthest corner of the treatment area and work backward to avoid contact with dusted surfaces."
- 1. The directions for use must state the sites of application to be treated. The preferred location for this information is on the front panel. We assume this product is for residential use. Therefore, on the front panel above "Kills Over 60 Insects", add "For and Outdoor Use on Home Gardens."
- j. Change "Pets" to "Dogs and Cats" on front panel.
- 3. Revise and submit a corrected confidential statement of formula (CSF) regarding the density located in Box #7. Value given as 2 lbs/cu.ft, the correct value is 29

2/10

3/10

lbs/cu.ft

5. Submit two (2) copies of your final printed label before you release the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing amended labeling constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

If you have any questions regarding this action, please contact Linda Werrell of my team at (703) 308-8033. A stamped copy of the label is enclosed for your records.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: <u>Humans</u>: Harmful if swallowed, inhaled. Avoid breathing dust. Avoid contact with eyes and skin. Wash thoroughly with soap and water after handling. Avoid contamination of feed and foodstuffs. <u>Animals</u>: Harmful if swallowed, inhaled. Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing animals or animals on medication. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

STATEMENT OF PRACTICAL TREATMENT/FIRST AID

IF IN EYES: Flush with plenty of water. Get medical attention if irritation persists. **IF ON SKIN:** Wash with plenty of soap and water. Get medical attention if irritation persists.

PHYSICAL AND CHEMICAL HAZARDS

Do not use or store near heat or open flame.

N

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water by cleaning of equipment or disposal of wastes.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

BEEF AND DAIRY CATTLE AND HORSES: Can be used in dust bags, shaker can and mechanical dust applicator. **Horn Fliés, Lice, Face Flies:** Place contents of this package in any commercially available dust bag, suspend bag in areas frequented by cattle or in gateways or lanes through which the animals must pass daily for water, feed, or minerals. Bags may also be placed in loafing sheds or in front of mineral feeders. For dairy cows, bags may be suspended in the exit through which the cows leave the milking barn. The bags should hang 4 to 6 inches below the back line of the cattle. For reduction of Face Flies, bags must be located so animals will be forced to use them daily and hung at a height so that the face is dusted. **Horn Flies, Lice Direct Application:** Apply 2 oz. of dust per animal by shaker can over the head, neck, shoulders and back and tailhead. Repeat as necessary.

Page 2

5/10

ì

HORSES: Dust horse for Horn flies with shaker can or dust glove along back, neck and legs.

6/10

SWINE: Lice on Swine Direct Application: Apply only 1 ounce per head as a uniform coat to the head, shoulder and back by use of a shaker can or suitable mechanical dust applicator. Repeat as necessary but not more often than once every 10 days. In severe infestation, both animals and the bedding may be treated. Do not ship animals for slaughter within 5 days of treatment.

POULTRY: To control Northern Fowl Mites, apply at a rate of 1 lb. per 100 birds. Ensure thorough treatment of vent area.

PETS: To control Fleas, Ticks and Lice on Cats and Dogs, dust animals thoroughly, working the dust into the hair down to the skin. Pay close attention to legs and feet. Use $\frac{1}{2}$ oz. on animals 20 pounds and under and 1 oz. on pets over 20 pounds. Avoid getting dust in pets' eyes. Reapply every two (2) weeks as needed. Do not use on cats or dogs under twelve (12) weeks of age. Dust sleeping area including bedding and cracks and crevices.

STORAGE AND DISPOSAL

STORAGE: Store in cool, dry place. Do not contaminate feed or foodstuffs by storage or disposal.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Completely empty bag into application equipment. Then ..., dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

HOME GARDENS: FOR USE ON HOME GARDENS. NOT FOR USE ON PLANTS BEING GROWN FOR SALE OR OTHER COMMERCIAL USE,

Wearing household latex or rubber gloves, use a dust applicator such as a shaker can, dust a gun, puffer or other bulbous duster, rotary duster or other appropriate duster as available. Dust lightly to cover both upper and lower leaf surfaces with a thin, even film of dust. (Many insects hide on the underside of the leaf). Apply when air is calm to avoid drift and contact with eyes and skin.

Controls a wide range of insect pests. Use at first signs of insect infestation, preferably before damage from feeding occurs. Note the pre-harvest (time between use and harvest) interval with each crop listed.
