Subject: Label Amendment - Registration Review Mitigation for Bifenthrin
Product Name: Bifenthrin RTU
EPA Registration Number: 53883-123
Application Date: April 7, 2021
Decision Number: 476295

Dear Lisa Adamson:

The Agency, in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, has completed reviewing all the information submitted with your application to support the Registration Review of the above referenced product in connection with the Bifenthrin Interim Decision, and has concluded that your submission is acceptable. The label referred to above, submitted in connection with registration under FIFRA, as amended, is acceptable.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling and must be used at your next label printing. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 12 months from the date of this letter. After 12 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

If you have any questions about this letter, please contact Lauren Weissenborn via email at weissenborn.lauren@epa.gov.

Sincerely,

A handwritten signature in blue ink that reads "Cathryn Britton". The signature is fluid and cursive, with the first name and last name clearly distinguishable.

FIRST AID	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment You may also contact the Poison Control Center 800-222-1222.	
IF IN EYES	<ul style="list-style-type: none">• <i>Hold eye open and rinse slowly and gently with water for 15-20 minutes Remove</i>• <i>contact lenses, if present, after the first 5 minutes, then continue rinsing eye</i>• Call a poison control center or doctor for treatment advice

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling. People and pets may enter treated areas after spray has dried.

ENVIRONMENTAL HAZARDS: This pesticide is extremely toxic to fish and aquatic invertebrates. Do not apply directly to water. Drift and run-off treated areas may be hazardous to aquatic organisms in neighboring areas. Care should be used when spraying to avoid fish and reptile pets in/around ornamental ponds.

This product is highly toxic to bees exposed to direct treatment or residues on blooming plants or weeds. Do not apply this product or allow it to drift to blooming plants crops if bees are visiting the treatment area

PHYSICAL OR CHEMICAL HAZARDS: Do not apply this product in or on electrical equipment due to the possibility of shock hazard.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

INDOOR & OUTDOOR HOME SURFACES	PESTS CONTROLLED
<ul style="list-style-type: none">• Floor Coverings & Baseboards• Cracks & Crevices in walls• Beneath & Behind Refrigerators, Stoves, Sinks, & Cabinets• Around Plumbing• Garbage Cans• Window Frames & Doorways• Porches & Patios• Eaves, Exterior Siding & Foundations• In Cabinets/pantries	Ants (including Carpenter Ants & foraging Fire Ants & Harvester Ants), Boxelder Bugs, Carpet Beetles, Centipedes, Clover Mites, Crickets, Earwigs, Firebrat, Fleas, Flies (including Houseflies), Grasshopper*, Millipedes, Mosquitoes, Moths, Confused Flow Beetle, Granary Weevil, Indian Meal Moth, Red Flour Beetle, Rice Weevil, Saw-Toothed Grain Beetle, Roaches, Scorpions, Silverfish, Sowbugs (Pillbugs), Spiders (including Black Widow, Brown Recluse & Daddy Long Legs Spiders), T i c k s (including Ticks that may transmit Lyme Disease),

How To Spray:

Shake well before use. Adjust spray nozzle to deliver a stream for cracks and crevices or a coarse spray for other areas. Hold sprayer 12 inches from the insect or surface being sprayed. Use only for spot treatment. Do not spray into the air. Spray until slightly wet without soaking. Use only for spot treatment. Do not allow this product to contact food, foodstuffs, food preparation areas or utensils and water supplies.

Do not allow to enter indoor or outdoor drains

No permita la entrada a desagües internos o externos.

Spot treatments must not exceed two square feet in size (for example, 2 ft. by 1 ft. or 4 ft. by 0.5 ft.).

For soil or foliar applications, do not apply by ground within 25 feet of lakes, reservoirs, rivers, permanent streams, marshes or natural ponds, estuaries and commercial fish farm ponds.

Do not apply the product into fish pools, ponds, streams, or lakes. Do not apply directly to sewers or storm drains, or to any area like a drain or gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur.

Do not allow the product to enter any drain during or after application.

Do not apply directly to impervious horizontal surfaces such as sidewalks, driveways, and patios except as a spot or crack-and-crevice treatment.
Do not apply or irrigate to the point of runoff.

Do not make applications during rain. Avoid making applications when rainfall is expected before the product has sufficient time to dry (minimum 4 hours).
Rainfall within 24 hours after application may cause unintended runoff of pesticide application.

Do not apply when the wind speed is greater than 15 mph.

Treat surfaces to ensure thorough coverage but avoid runoff.

To treat insects harbored in voids and cracks-and-crevices, applications must be made in such a manner to limit dripping and avoid runoff onto untreated structural surfaces and plants.

Nuisance Pests Indoors

Roaches, Ants (including Harvester Ants), Carpet Beetles, Crickets, Earwigs, Firebrats, Fleas, Flies, (including Houseflies), Mosquitoes, Moths, Scorpions, Silverfish, Spider's (including Black Widow, Brown Recluse, & Daddy Long Legs Spiders) & Ticks (including Ticks that may transmit Lyme Disease).
