- 2. Make the following change(s) to the label:
 - a. Change the product registration number to "EPA Reg. No. 53883-290"
 - b. Make the following label revision(s):

General Statement(s):

1. Delete all text throughout the label marked with "strikethrough."

Ingredient Statement section comment(s):

 In order to incorporate required label language from the RED for piperonyl butoxide, revise the listing of "Technical Piperonyl Butoxide*" to read "Piperonyl Butoxide*" and revise the 1st footnote to read "*(butylcarbityl) (6-polypiperonyl) ether and related compounds."

First Aid section comment(s):

- 3. To facilitate inclusion of required label changes from the acute toxicity review that was completed for the cited product (EPA Reg. No. 655-113), you must incorporate the following changes to the subject label:
 - Within the "If swallowed" subsection, revise the 1st bulleted statement to read "Call a poison control center or doctor immediately for treatment advice."
 - Within the "If swallowed" subsection, revise the 3rd bulleted statement to read "Do not induce vomiting unless told to do so by a poison control center or doctor."
 - Within the "If on skin or clothing" subsection, revise the 3rd bulleted statement to read "Call a poison control center or doctor for treatment advice."
 - Within the "If in eyes" subsection, revise the 3rd bulleted statement to read "Call a poison control center or doctor for treatment advice."
 - Within the "If inhaled" subsection, revise the 3rd bulleted statement to read "Call a poison control center or doctor for further treatment advice."
 - Revise the "HOT LINE NUMBER" subsection to read "Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For additional information on this product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-858-7378."

Precautionary Statements, Hazards to Humans and Domestic Animals subsection comment(s):

4. To facilitate inclusion of required label changes from the acute toxicity review that was completed for the cited product (EPA Reg. No. 655-113), revise this subsection to read "Causes skin irritation. Do not get on skin or on clothing. Harmful if swallowed, inhaled, or absorbed through the skin. Avoid breathing spray mist. Avoid contact with skin, eyes, or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse."

Precautionary Statements, Environmental Hazards subsection comment(s):

5. To facilitate inclusion of required label changes from the RED for piperonyl butoxide, revise this subsection to read "This product is toxic to aquatic organisms, including fish and invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollution Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA. Do not contaminate water when disposing of equipment wash-waters."

Directions for Use section comment(s):

6. To facilitate inclusion of required label changes from the RED for piperonyl butoxide, revise the statement following the subsection heading "NOTE TO FORMULATORS" with the following statements:

"Only for formulation into a synergist for the following use(s) [fill blank only with those uses that are being supported by MP registrants].

Not for formulation into wettable powder end use products (EUP), unless the EUP is packaged in water soluble bags.

Not for formulation into granular End Use Products."

Directions for Use sector comment(s), cont'd:

"If Registrants are not supporting outdoor residential misting systems use for their products, the following statement must appear on the MUP label of all liquid or wettable powder products: Not for formulation into an end use product for use in outdoor residential misting systems.

Formulated pet spray products eligible for reregistration must not contain more than 10 % piperonyl butoxide.

This product may be used to formulate products for specific use(s) not listed on the MP label if the formulator, user group, or grower has complied with U.S. EPA submission requirements regarding support of such use(s)."

3. You must submit two (2) copies of the revised final printed labeling, incorporating the above changes, before releasing the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with section 6(e) of FIFRA. Your release for shipment of the product bearing amended labeling constitutes accepting of these conditions.

A copy of your label stamped "Accepted with Comments" is enclosed for your records along with hard copies of the acute toxicity and product chemistry reviews completed for this product. If you have any questions about this label review, please contact Mr. Carmen J. Rodia, Jr. at (703) 306-0327 or via e-mail at <u>Rodia.Carmen@epa.gov</u>.

Sincerely yours, 1. Leb

Richard J. Gebken Product Manager (10) Insecticide Branch Registration Division (7504P)

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Keep out of reach of children. Avoid breathing spray mist. Avoid skin and eye contact. Wash thoroughly after handling and before eating or smoking.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds, and other wildlife. Do not apply directly to water. Do not contaminate water by disposal of wastes. Apply this product only as specified on this label. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

PHYSICAL HAZARDS

Do not use, or store near heat or open flame. Exposure to temperatures above 130° F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

NOTE TO FORMULATORS

Formulators are responsible for obtaining EPA registration for their formulated products.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal. Open dumping is prohibited.

STORAGE: If container is damaged: Stop any leaks by repositioning the container or by patching or otherwise repairing the leaks. Take care to avoid contact with pesticide and wear protective gear. On cleanup of spilled liquids, wear protective equipment as required to prevent contact with the product or its vapors. Cover the spilled areas with generous amounts of absorbent material, such as clay, diatomaceous earth, sand, or sawdust. Sweep the contaminated absorbent on to a shovel and put the sweepings into a salvage drum. Dispose of wastes as below. Do not store, use, pour or spill near heat or open flame.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Non-refillable container. Do not reuse or refill this container. Offer for recycling, if available or reconditioning, if appropriate or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities.
