Unconditional

Name of Pesticide Product

CSI Carpet Powder with
Pyriproxyfen

Name and Address of Registrant (include ZIP Code)

Control Solutions Inc
5903 Genoa Red Bluff
Pasadena TX 77507 1041

Note Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce In any correspondence on this product always refer to the above EPA registration number

On the basis of information furnished by the registrant the above named pesticide is hereby registered/reregistered under the Federal Insecticide Fungicide and Rodenticide Act

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency In order to protect health and the environment the Administrator on his motion may at any time suspend or cancel the registration of a pesticide in accordance with the Act The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others

This product is unconditionally registered in accordance with section 3(c)(5) of FIFRA provided that you

- 1 Submit and/or cite all data required for registration of your product under section 3(c)(5) of FIFRA when the Agency requires all registrants of similar products to submit such data and submit acceptable responses required for reregistration of your product under section 4 of FIFRA

Directions for Use, Subsection Specific comment(s)

- 4 To facilitate inclusion of required label changes from the REDs for pyrethrins MGK 264 insecticide synergist and pyriproxyfen you must make the following changes within the **Use Restrictions** subsection
 - Insert the following new bulleted statement immediately preceding the existing 3^d bulleted statement
THIS PRODUCT IS FOR INDOOR USE ONLY
 - Revise the 6th bulleted statement to read Do not allow adults children or pets to enter the treated area until dusts have settled
 - Within the 1^t paragraph immediately following the revised **Use Restrictions** subsection revise the 3^d sentence to read Apply powder more heavily to areas off flooring or furniture on which pets spend most of their time Keep children and pets off treated carpet and upholstered furniture during treatment while powder is still visible on these surfaces
 - Within the 2^d paragraph immediately following the revised **Use Restrictions** subsection revise the 3^d sentence to read Do not apply as a broad carpet treatment Only apply as a spot treatment to areas no greater than 3 feet by 3 feet per room
 - Insert the words into treated areas at the end of the text statement found at the bottom of page 2 of 4
 - Revise the text statement found at the top of page 3 of 4 to read Settling of contents occurs naturally during transportation and handling You can be assured of proper contents as this container is sold by weight and not by volume

Conditional Data Requirements

- 5 Within one (1) year from the date of this registration Control Solutions Inc is obligated to submit a One Year Storage Stability (830 6317) study and a Corrosion Characteristics (830 6320) study on this product in support of this registration ¹

¹ For more detailed information please refer to page 3 of 6 of the product chemistry review completed for this product

- 3 You must submit two (2) copies of the revised final printed labeling incorporating the above changes before releasing the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with section 6(e) of FIFRA. Your release for shipment of the product bearing amended labeling constitutes accepting of these conditions.

A copy of your label stamped "Accepted with Comments" is enclosed for your records along with hard copies of the acute toxicity product chemistry and efficacy reviews completed for this product. If you have any questions about this label review, please contact Mr. Carmen J. Rodia, Jr. at (703) 306 0327 or via e-mail at Rodia.Carmen@epa.gov

Sincerely yours

Richard J. Gebken
 Product Manager (10)
 Insecticide Branch
 Registration Division (7504P)
