Subject: Notice of Extension of Conditional Registrations until February 22, 2021

Dear Ms. Adamson:

This letter is in reference to your request dated October 26, 2018 to extend the following conditional time-limited registrations:

PREFURRED PLUS IGR FOR DOGS	EPA Reg. No. 53883-351
PREFURRED PLUS IGR FOR CATS	EPA Reg. No. 53883-352

The above-referenced registrations contain conditions calling for the registrations to expire two years from the date the products were initially registered, September 9, 2014. The terms of these registrations have been previously updated to extend the expiration dates to February 22, 2019. Additionally, your company is required to adhere to the spot on label mitigation, submit quarterly enhanced incident reports and quarterly sales information for each of the above registrations.

The Agency has found Control Solutions, Inc. in compliance with the terms and conditions for the subject products. Therefore, the following change is being made to the terms and conditions of the products listed above:

- **The 2-year time-limited registration restriction has been extended an additional two (2) years. Therefore, the new expiration date for the subject product registrations is now February 22, 2021.**

Please note that these products are still subject to all other previous required conditions of registration. If you have any questions, please contact Dr. Breeden-Alemi, at breeden-alemi.julie@epa.gov or 703.347.0511.

Sincerely,

A handwritten signature in black ink, appearing to read "C. Aubee".
