WASHINGTON, D.C. 20460

July 27, 2026

Leanna Bosarge
Director, Regulatory Affairs
Control Solutions, Inc.
5903 Genoa-Red Bluff
Pasadena, TX 77507-1041

Subject: Label Amendment - Registration Review Mitigation for Lambda-Cyhalothrin
Product Name: CSI 20-378 Lambda + PPZ RTS
EPA Registration Number: 53883-501
Case Number: 690334
Application Dates: March 20, 2026

Dear Leanna Bosarge:

The Agency, in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, has completed reviewing all the information submitted with your application to support the Registration Review of the above referenced product in connection with the Lambda-Cyhalothrin Interim Decision, and has concluded that your submission is acceptable. The label referred to above, submitted in connection with registration under FIFRA, as amended, is acceptable.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling and must be used at your next label printing. You must submit one copy of the final printed labeling before you release the product for

shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 12 months from the date of this letter. After 12 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

If you have any questions about this letter, please contact Nick Barnett by phone at 513-569-7643, or via email at Barnett.nicholas@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Julie Javier", with a stylized flourish at the end.

Julie Javier, Team Leader
Risk Mitigation and Implementation Branch 4
Pesticide Re-Evaluation Division
Office of Pesticide Programs

ENCLOSURE: Stamped label

FIRST AID	
IF SWALLOWED:	• Call a Poison Control Center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • DO NOT induce vomiting unless told to do so by a Poison Control Center or doctor. • DO NOT give anything by mouth to an unconscious person.
IF ON SKIN OR CLOTHING:	• Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a Poison Control Center or doctor for treatment advice.
HOT LINE NUMBER	
Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact SafetyCall® (866) 897-8050 for emergency medical treatment information.	

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS

This pesticide is extremely toxic to aquatic organisms, including fish and invertebrates. To protect the environment, **DO NOT** allow pesticide to enter or run off into storm drains, drainage ditches, gutters or

surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Rinsing application equipment over the treated area will help avoid run off to water bodies or drainage systems.

This pesticide is highly toxic to bees exposed to direct treatment on blooming crops or weeds. **DO NOT** apply this product or allow it to drift to blooming crops or weeds while bees are actively visiting the treatment area.

STOP. READ ENTIRE LABEL BEFORE USE.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

READ ALL DIRECTIONS COMPLETELY BEFORE USE.

Restrictions

- **DO NOT** allow adults, children, or pets to enter the treated area until sprays have dried.
- **DO NOT** apply directly to residential lawns and turf in residential settings (e.g., homes, parks, schools, athletic fields or any other area frequented by the general public).
- **DO NOT** apply this product in a way that will contact adults, children, or pets, either directly or through drift. Remove pets, birds, and cover fish aquariums before spraying.
- **DO NOT** apply this product or allow it to drift to blooming crops or weeds while bees are actively visiting the treatment area.
- **DO NOT** apply or water the treated area to the point of run-off.
- Treat surfaces to ensure thorough coverage but avoid runoff.
- **DO NOT** make applications during rain. Not for use in outdoor residential misting systems.
- Avoid making applications when rainfall is expected before the product has sufficient time to dry (minimum 4 hours).
- Rainfall within 24 hours after application may cause unintended runoff of pesticide application.
- **DO NOT** apply more than 14 treatments per year.
- **DO NOT** use food utensils for food purposes after use in measuring pesticides.
- For soil or foliar applications, do not apply by ground within 25 feet of lakes, reservoirs, rivers, permanent streams, marshes or natural ponds, estuaries and commercial fish farm ponds.
- Do not apply the product into fish pools, ponds, streams, or lakes. Do not apply directly to sewers or storm drains, or to any area like a drain or gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur.
- To treat insects harbored in voids and cracks-and-crevices, applications must be made in such a manner to limit dripping and avoid runoff onto untreated structural surfaces and plants.

All outdoor applications must be limited to spot or crack-and-crevice treatments only, except for the following permitted uses:

1. Application to pervious surfaces such as soil and vegetation;
2. Perimeter band treatments of 7 feet wide or less from the base of a man-made structure to pervious surfaces (e.g., soil, mulch, or groundcover that abuts the perimeter of the treated structure);
3. All outdoor applications to impervious surfaces such as sidewalks, driveways, patios, porches and structural surfaces (windows, doors, and eaves) are limited to spot and crack-and-crevice applications, only.
4. Application is prohibited directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur. **DO NOT** allow the product to enter any drain during or after application

INSECTS CONTROLLED

Ants [Argentine, Southern, Field, Alleghany mound, Florida carpenter, Honey, Pavement, Nuisance, Crazy], Armyworms, Brown dog ticks, Cockroaches, Crickets, Cutworms, Fleas, Lawn moths (Sod webworms), Millipedes, Mosquitoes, Palmetto bugs, Sowbugs, Mites, Spittlebugs and Waterbugs.

DISEASES CONTROLLED

Anthrachnose, Brown patch, Copper spot, Dollar spot, Fusarium Patch, Red Patch, Leaf spot (including septoria, zonate), Melting out, Crown rot, Leaf smuts, Powdery mildew, Rust, Red thread, Spring dead spot, Stripe smut, Necrotic ring spot, Take-All Patch, Zoysia patch and Summer patch.

HOW TO APPLY

Spray until wet to control listed insects and diseases. Walk at a steady pace while spraying using an even sweeping motion. One quart treats 2500 sq ft.

WHERE TO USE

Use this product on residential ornamentals to control listed insects and diseases. DO NOT apply directly to residential lawns and turf in residential settings (e.g., homes, parks, schools, athletic fields or any other area frequented by the general public) For best control treat every two weeks.

Sub Label A: Ready to Spray

HOW TO APPLY

[{OPTION A}]

USING THE READY SPRAY NOZZLE {Optional subheading}]

1. Shake container well before using.
2. Connect a garden hose to the Ready Spray nozzle. Make sure the dial on the nozzle is in the "OFF" position with the [green] safety tab in the valve notch.
3. Turn on water at faucet. Extend hose to the farthest area to be treated and work back toward the faucet so you don't come in contact with the treated area.
4. To BEGIN spraying, point nozzle toward treatment site and a.) bend the [green] safety tab back (located at right of yellow dial) with your thumb, b.) hold while turning yellow dial clockwise until it stops. Water will automatically mix with the product.
5. Spray until wet to control listed insects and diseases. Walk at a steady pace while spraying using an even sweeping motion. One quart treats 2500 sq ft.
6. To STOP spraying, QUICKLY turn the dial counter clockwise until it stops and the safety tab engages into the notch on the valve. Turn water off at faucet. To relieve pressure before removing nozzle from hose, bend the safety tab back and turn dial "ON" until water stops spraying.
7. To STORE unused product, make sure the dial is in the "OFF" position with [green] safety tab in the valve notch. Place in cool area away from heat, sunlight or open flame.]

HOW TO APPLY

[{Option B}]

USING THE READY SPRAY NOZZLE {Optional subheading}]

1. Shake container well before using.
2. Attach a garden hose to the Ready spray nozzle. For first time use remove the safety tab below the SPRAY button on the toggle switch by pushing to the left or right until the tab breaks free. Make sure the toggle switch remains in the OFF position. For subsequent uses make sure the toggle switch is in the OFF position before attaching hose.
3. Turn on water at faucet. Extend hose to the farthest area to be treated and work back toward the faucet so you **DO NOT** come into contact with the treated area.
4. To BEGIN spraying point nozzle toward treatment site and press the SPRAY button on the toggle switch until it clicks into the fully on position. Water will automatically mix with the product.
5. Spray until wet to control listed insects and diseases. Walk at a steady pace while spraying using a even sweeping motion, slightly overlapping treated areas. One quart treats 2500sq ft.

6. To STOP spraying push the OFF button on the toggle switch until it stops. Turn water off at faucet. To relieve pressure before removing nozzle from hose press the SPRAY button on the toggle switch until water stops spraying.
7. To STORE unused product make sure the toggle switch is in the OFF position. Place in a cool area away from heat, sunlight or open flame.]

HOW TO APPLY

[{Option C}]

USING THE READY SPRAY NOZZLE {Optional subheading}]

1. Shake container well before using.
2. Attach a garden hose to the Ready spray nozzle. For first time use remove the safety tab above the trigger by pushing to the left or right until the tab breaks free.
3. Turn on water at faucet. Extend hose to the farthest area to be treated and work back toward the faucet so you **DO NOT** come into contact with the treated area.
4. To BEGIN spraying point nozzle toward treatment site and squeeze the trigger to the fully on position. Water will automatically mix with the product.
5. Spray until wet to control listed insects and diseases. Walk at a steady pace while spraying using a even sweeping motion, slightly overlapping treated areas. One quart treats 2500 sq ft.
6. To STOP spraying release the trigger. Turn water off at faucet. To relieve pressure before removing nozzle squeeze the trigger until water stops spraying.
7. To STORE unused product make sure the trigger is in the closed position. Place in a cool area away from heat, sunlight or open flame.]

HOW TO APPLY

[{Option D}]

[USING THE READY SPRAY NOZZLE, HOSE END SPRAYER INSTRUCTIONS, HOW TO USE THE [INSERT HOSE END SPRAYER NAME] or [DIRECTIONS FOR HOSE END SPRAYER] {Optional Subheading}]

1. Shake container well before using.
2. Connect a garden hose to the sprayer nozzle. Make sure switch is fully forward in the "OFF" position.
3. Turn on water at faucet. Extend hose to the farthest area to be treated and work back toward the faucet so you don't come in contact with the treated area.
4. [Remove safety tab from sprayer's right side by pulling straight out. [[You may] Discard or keep for future re-use.]]
5. To BEGIN spraying, point nozzle toward treatment site and pull switch backwards [with thumb] [with finger] towards hose connection. Water will automatically mix with the product.
6. Spray until wet [to control listed insects and ornamental diseases]. Walk at a steady pace, working back toward the faucet while spraying using an even sweeping motion, slightly overlapping treated areas.
7. To STOP spraying, push switch forward [with thumb] [with finger] toward nozzle. Turn water off at faucet. To relieve pressure before removing nozzle from hose, pull switch backwards [with thumb] [with finger] towards hose connection until water stops spraying.
8. To STORE unused product, make sure switch is fully forward in the "OFF" position.
9. [Re-install safety tab into sprayer's right side. With sprayer in the full "OFF" position, push tab into position.]
10. Place in cool area away from heat, sunlight or open flame.]

STORAGE AND DISPOSAL

DO NOT contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Store in cool, dry place away from heat or open flame.

PESTICIDE DISPOSAL: If empty: Nonrefillable container. **DO NOT** reuse or refill this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using this product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

WARRANTY STATEMENT

The Directions for Use of this product must be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Ineffectiveness or other unintended consequences may result because of such factors as manner of use or application, weather, presence of other materials or other influencing factors in the use of the product, which are beyond the control of Control Solutions, Inc. or Seller. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Control Solutions, Inc. and Seller harmless for any claims relating to such factors.

To the extent consistent with applicable law, Control Solutions, Inc. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, subject to the inherent risks referred to above, when used in accordance with directions under normal use conditions. This warranty does not extend to the use of this product contrary to label instructions, or under abnormal conditions or under conditions not reasonably foreseeable to or beyond the control of Seller or Control Solutions, Inc., and Buyer and User assume the risk of any such use. **CONTROL SOLUTIONS, INC. MAKES NO WARRANTIES OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.**

To the extent consistent with applicable law, **IT IS CONTROL SOLUTIONS INC., AND SELLERS INTENTION THAT** in no event shall Control Solutions or Seller be liable for any incidental, consequential or special damages resulting from the use or handling of this product. **THE EXCLUSIVE REMEDY OF THE USER OR BUYER, AND THE EXCLUSIVE LIABILITY OF CONTROL SOLUTIONS, INC., AND SELLER FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THE PRODUCT OR, AT THE ELECTION OF CONTROL SOLUTIONS, INC. OR SELLER, THE REPLACEMENT OF THE PRODUCT.**

To the extent consistent with applicable law, Control Solutions, Inc. and Seller offer this product, and Buyer and User accept it, subject to the foregoing Conditions of Sale and Limitation of Warranty and Liability, which may not be modified except by written agreement signed by a duly authorized representative of Control Solutions, Inc.

Sub-Label B: Dilutable Concentrate Product

MIXING INSTRUCTIONS

TANK SPRAYER (plastic, aluminum or stainless steel)

- Add appropriate amount of concentrate to one gallon of water

DIAL TYPE HOSE-END SPRAYER

- Set sprayer to the "fl oz/ gallon" level specified in the directions
- Use only enough product for the area to be treated.
- Close sprayer, attach to hose and apply.

CONCENTRATE PLUS WATER [HOSE END] TYPE SPRAYER

- Determine the amount of concentrate required
- Pour concentrate into sprayer jar to the required "fl oz" level
- Add the required amount of water to the "gals" level.
- Replace sprayer top on jar and apply

[Two Easy Steps to Mix and Apply]

Step #1: Use a clean sprayer. Carefully measure and mix the amount of this product and water as directed. Food utensils including teaspoon and measuring cups must not be used for food purposes after use with pesticides.

Step #2: Spray as directed. Thorough coverage is important. Flush sprayer with clean water after each use.]

AMOUNT TO USE:

Dilute 3 fl oz (6 Tbsp) in 1 gallon of water to treat 234 sq ft.

1 Tbsp = 3 tsp

1 fl oz = 2 Tbsp

STORAGE AND DISPOSAL

DO NOT contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Store in cool, dry place away from heat or open flame.

PESTICIDE DISPOSAL: If empty: Nonrefillable container. **DO NOT** reuse or refill this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using this product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

{OPTIONAL MARKETING CLAIMS}

1. Fast Acting
2. Dual disease and insect control [action]
3. Disease plus insect control
4. Disease plus insect killer
5. Dual insect and fungus control
6. Insect killer plus disease control
7. Insect killer plus fungus control
8. Insect killer plus [home] landscapes fungus control
9. Prevents and kills diseases and insects in [home] landscapes
10. Prevents and controls diseases and insects in [home] landscapes
11. Controls brown patch, powdery mildew, black spot, rust, blights, leaf spot and mold
12. Prevents and kills black spot, brown patch, rust, powdery mildew, scab, blights, mold and other listed diseases
13. Prevents and controls black spot, brown patch, rust, powdery mildew, scab, blights, mold and other listed diseases
14. Protects [home] landscapes from ants, aphids, crickets mosquitoes and many[other] [more] listed insects
15. Kills harmful insects on contact
16. Quickly kills listed insects on contact
17. Quickly kills listed insect pests on contact
18. Protects for up to 2 weeks against diseases
19. Can't be washed [away] [off] by rain
20. Rain fast in hours
21. Rainproof in hours
22. Rain fast – Effective even after rain
23. Rainproof – [For control that] won't wash away
24. Water-Based
25. *Guaranteed [Results] [to work] or Your Money Back
26. Money Back Guarantee*
27. Dual Action
28. Dual Action Formula
29. 2 uses in 1 product
30. 2 uses [in] [with] 1 formula
31. Controls 2 problems in 1 product
32. Controls 2 problems [in] [with] 1 formula
33. 2 Products in 1
34. Kills major listed insects on contact
35. Kills major listed insects
36. Kills [20] [22] [20+] [more than 20] insects [on contact]
37. Controls [major listed] insects [on contact]
38. Controls [20] [22] [20+] [more than 20] insects [on contact]
39. Controls and prevents [all] listed [home] landscape diseases and fungus
40. Controls and prevents listed major [home] landscape diseases and fungus
41. Controls and prevents [all] listed [home] landscape diseases
42. Controls and prevents listed major [home] landscape diseases
43. Controls and prevents [all] listed [home] landscape fungus
44. Controls and prevents listed major [home] landscape fungus
45. Controls and kills [all] listed [home] landscape diseases and fungus
46. Controls and kills listed major [home] landscape diseases and fungus
47. Controls and kills [all] listed [home] landscape diseases
48. Controls and kills listed major [home] landscape diseases
49. Controls and kills [all] listed [home] landscape fungus
50. Controls and kills listed major [home] landscape fungus
51. Controls [all] listed [home] landscape diseases and fungus
52. Controls listed major [home] landscape diseases and fungus

53. Controls [all] listed [home] landscape diseases
54. Controls listed major [home] landscape diseases
55. Controls [all] listed [home] landscape fungus
56. Controls listed major [home] landscape fungus
57. Prevents [all] listed [home] landscape diseases and fungus
58. Prevents listed major [home] landscape diseases and fungus
59. Prevents [all] listed [home] landscape diseases
60. Prevents listed major [home] landscape diseases
61. Prevents [all] listed [home] landscape fungus
62. Prevents listed major [home] landscape fungus
63. Kills [all] listed [home] landscape diseases and fungus
64. Kills listed major [home] landscape diseases and fungus
65. Kills [all] listed [home] landscape diseases
66. Kills listed major [home] landscape diseases
67. Kills [all] listed [home] landscape fungus
68. Kills listed major [home] landscape fungus
69. Controls [[home] landscapes damaging] insects and [plus] [home] landscape diseases as listed
70. Controls [[home] landscapes damaging] insects and [plus] [home] landscape fungus as listed
71. [One quart] treats 2500 sq ft
72. [What it Does:] Prevents and kills black spot, brown patch, rust, powdery mildew and other listed [home] landscape diseases. Kills listed insects on contact.
73. [What it Does:] Prevents and controls black spot, brown patch, rust, powdery mildew and other listed [home] landscape diseases. Kills listed insects on contact.
74. Where to Use: Outdoors on [home] landscapes
75. [When to Use:] To prevent listed [home] landscape diseases and control insects, start treating when grass begins to turn green in the spring or when signs of diseases and insect damage are first noticed.
76. Prevents and [kills][controls] Black Spot, Brown Patch, Dollar Spot, Powdery Mildew, Rust, Blight and Leaf Spot
77. Ready-to-spray [Ready-to-mix] [[liquid] [concentrate]
78. Mixes [dilutes] automatically [as] [when] [you spray]
79. Hose end concentrate
80. Easy to spray concentrate
81. [Attach][Just insert] hose and spray
82. Shake well and spray (Ready-To-Spray)
83. [Simple] [and] [Easy] to use
84. SPRAY STREAM
85. ROTATE IN OFF POSITION
86. MIX H2O OFF
87. Long Lasting, ... Keeps On Killing listed Insects, [mites, & listed diseases] for up to 14 days [2 weeks]
88. Residual action, keeps killing listed insects, [mites, & diseases] for up to 2 weeks
89. Continuous killing [power] against listed insects, [mites, & listed diseases] for up to 14 days.
90. The formula/product works through the leaves and stems to protect for listed disease control
91. 3 Benefits in One: Listed Insect Protection, Spider Mite Protection, & Disease Protection
92. Premium care – 3 in 1 formula – controls listed insect, plant mites, & diseases
93. One application, three benefits: Listed Insect Protection, Spider Mite Protection, & Disease Protection
94. All-in-One, three benefits: listed insect, disease, & spider mite protection
95. Prevents, stops, and controls listed [pests][insects, mites] [& diseases]
96. Prevents and stops listed [pests][insects, mites] [& diseases]
97. Rescues [guards] plants from listed [pests][insects, mites] [& diseases]
98. One application, 3 benefits: Listed Insect, Spider Mite & Disease Protection
99. Fast, easy and efficient {Note to PM: this claim will be used only for the RTS label}
100. Fast and effective formula
101. Effective solution for listed [pests][insects, mite] [& diseases]
102. Bonus size...X% more

{OPTION A} [This product protects [home] landscapes and flowers from damaging diseases and insects. Its formula can actually prevent diseases and kill insects at the same time.]

{OPTION B} [This product prevents and stops a wide variety of listed diseases and insects on [home] landscapes. It can't be washed off by rain or sprinklers once dried and it works against listed diseases for up to 2 weeks.]

{MARKETING CLAIMS FOR USE WITH SPRAYER OPTION C:}

1. [New] [Easy [to use]] One touch [hand] spray
2. No [twisting][pulling] [bending] [turning] [pushing],
3. Just pull the trigger and spray
4. Just squeeze the trigger and spray
5. No [complicated] [hard-to-use] levers [or dials]
6. Easy on/off – spray [only] where you want
7. [Simply] release trigger [so that you don't spray unwanted areas]
8. Easy action [hose end] sprayer
9. [Just] squeeze and [to] spray]
