NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Chung Hsi Chemical Plant, Ltd.
No. 41 Alley 356 Lane 108
King Lu Road, Sec 1
Hsinchu 30051, Taiwan
Republic of China

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) and sec. 4 when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you release the product for shipment:

    a. Add the phrase "EPA Registration No. 65xxx"

    b. Add the following statement to the Precautionary Statements Paragraph:

         ... all food ... disposed of those ... before use.

    c. In accordance with the allethrin Registration Standard, you should delete the comma and insert a slash after "d-cis" in the label declaration for allethrin.

FEATURES

CLEAN, NO SMOKE OR ASHES

EFFECTIVE AGAINST MOSQUITOES FOR 8 - 10 HOURS IN AN 8 FT X 8 FT ROOM

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner
inconsistant with its labeling.

Tear aluminum foil, insert 1 piece of V I P mat on to electric
fumigator and plug in the electric power supply. After a few minutes,
the active ingredients will be vaporized.

V I P mat will be effective until color of mat turns from blue to
white.

For indoor use only, when mosquitoes are a nuisance.

STORAGE AND DISPOSAL

Store in original container and keep in locked area.

Unplug heater and turn upside down to allow V I P mosquito mat to fall
out. Securely wrap mat in several layers of newspaper and place in
trash. Do not reuse container. Discard container in trash.
