EPA Registration No. 54089-1

EPA Est. No. 54089-CA-1

Manufactured for:

R VALUE/WEST

150 N. Santa Anita Ave. Suite 300

Arcadia, CA 91006

Directions for Use:

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Do not use in edible product areas of food processing plants or on counter tops and other surface areas where food is prepared. Do not use in serving areas while food is exposed.

Mixing and Application Directions (Cockroach and silverfish):

Add one cup of powder (4 oz.) to each pail (5 gal.) of mop or rinse water. Dissolves instantly in water. Apply to floor areas only. Make only enough for each application. Designed for use as a supplemental treatment to exterminating service or to M5 Roach Kill. Avoid contamination of feed and foodstuffs. Use daily in areas with severe infestation. In normal use, apply daily for 10-15 days and then every other day thereafter to maintain residual. If use is discontinued for a week, use daily for 10 days thereafter to rebuild residual.

Food areas and Food Serving Areas: Apply only when food is not exposed and facility is not in operation. Avoid treating surfaces likely to be contacted by food.

Mixing and Application Directions (Flea):

For use in carpet cleaning equipment (extractors/shampoos): May be used along with detergent. Mix one scoop (4 oz.) per gallon of water. Clean carpet as directed by equipment manufacturer. Use one gallon of mixture per 75-120 square feet of carpet.

Vacuum carpet, furniture, baseboards, pet bedding and other flea harborages before applying as a spray or dry powder. Immediately seal vacuum bag and place in trash.

For use as a spray on carpet and other floor areas: Mix 12 oz. (three scoops) per 1 gallon hot water. Best time to treat is immediately after shampooing. Spray evenly at a rate of 1 gallon per 200 sq. feet of carpet. If needed, broom or rake so spray penetrates to base of carpet. Spray lightly on baseboards, tile, concrete or dirt floors.

For use as a dry powder on carpeting, furniture wells, and baseboards: Dust 8 oz. per 100 sq. ft. of carpet and broom in to base of carpet fibers. Using a Pest Pistol bellows duster, dust lightly into furniture wells and into cracks and crevices. Wait 48 hours before vacuuming.

For Use In:

Hospitals • Restaurants • Military Bases • Nursing Homes • Grocery Stores • Schools • Hotels • Ships • Yachts • Theaters • Zoos • Kennels • Markets • Homes • Boats • Buses • Utilities and Sewers.

Precautionary Statements

CAUTION: HAZARDS TO HUMANS AND DOMESTIC ANIMALS. Harmful if swallowed. May cause eye irritation. Avoid eye contact. Wash thoroughly after handling.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in a dry place. Do not store where children or animals may gain access.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on-site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Completely use up product. Do not reuse this container. Wrap and place in trash collector.

[DISPOSAL STATEMENT FOR HOUSEHOLD USE SIZES]
CONTAINER DISPOSAL: Do not reuse container. Rinse thoroughly before discarding in trash.
