Los Angeles, CA 90024

Subject: Label Amendment
M7 Roach Mop-on
EPA File Number: 54089-1
Application Dated: July 9, 2007
Decision: 813898

Dear Mr. Mackson:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comment listed below. Five copies of the finished labeling must be submitted prior to releasing the product for shipment.

Warranty and Disclaimer:

R VALUEWEST should refer to the Agency's policy with regards to Warranties and Disclaimers which can be found at the following internet site:

<http://www.epa.gov/pesticides/regulating/labeld/warranty.pdf>

Resubmission should include one of the samples provided within the documents entitled "Guidance on Warranty Statements dated October 17, 2006.

If you have any questions, please contact Melody Banks of my staff on (703) 305-5413.

Sincerely,

Richard Gebken
Product Manager
Insecticide Branch
Registration Division (7505P)

PRECAUTIONARY STATEMENTS
HAZARD TO HUMANS AND DOMESTIC ANIMALS
CAUTION

Harmful if swallowed or inhaled. Causes eye irritation. Avoid contact with eyes or clothing. Avoid breathing dust. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For Use In Non-Food Areas:

Hospitals, Military Bases, Nursing Homes, Grocery Stores, Schools, Hotels, Ships, Yachts, Theaters, Zoos, Kennels, Markets, Boats, Buses, Utilities and Sewers

Mixing and Application Directions (Cockroaches and Silverfish):

Add one cup of powder (4oz.) to each pail (5gal.) of mop or rinse water. Dissolve instantly in water. Apply to floor areas only. Make only enough for each application. Designed for use as a supplemental treatment to exterminating service or to M5 Roach Kill. Avoid contamination of feed and foodstuffs. Use daily in areas with severe infestation. In normal use, apply daily for 10-15 days and then every other day thereafter to maintain residual. If use is discontinued for a week, use daily for 10 days thereafter to rebuild residual.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. **STORAGE:** Store in a dry place. Do not store where children or animals may gain access.

DISPOSAL INSTRUCTIONS:

If Empty: Do not reuse this container. Place in trash or offer for recycling if available.

If Partly Filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

HELP PREVENT COCKROACH INFESTATION
WHILE CLEANING FLOORS.

NET WEIGHT LBS.
SEP 27 2007

Under the Federal Insecticide,
Fungicide, and Rodenticide Act
as amended, the pesticide
registered under EPA Reg. No.

54089-1

Mixing and Application Directions (Fleas):

For use in carpet cleaning equipment (extractors/shampooers): May be used along with detergent. Mix one scoop (4oz.) per gallon of water. Clean carpet as directed by equipment manufacturer. Use one gallon of mixture per 75-120 square feet of carpet.

Vacuum carpet, baseboards, pet bedding and other flea harborages before applying as a spray or dry powder. Immediately seal vacuum bag and place in trash.

For use as a spray on carpet and other floor areas: Mix 12 oz. per 1 gallon hot water. Best time to treat is immediately after shampooing. Spray evenly at a rate of 1 gallon per 200 sq. feet of carpet. If needed, broom or rake so spray penetrates to base of carpet. Spray lightly on baseboards, tile, concrete or dirt floors.

For use as a dry powder on carpeting and baseboards: Dust 8oz. per 100 sq.ft. of carpet and broom into base of carpet fibers. Using a Pest Pistol bellows duster, dust lightly into cracks and crevices. Wait 48 hours before vacuuming.

Do not allow use of treated areas until remaining powder is vacuumed from all surfaces.

FIRST AID

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 9-1-1 or an ambulance then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

Questions? 1-800-463-9179 or call poison control center.

Buyer assumes all the risks of use storage or handling of this product not in strict accordance with directions given here with.
