US ENVIRONMENTAL PROSITION AGENCY OFFICE OF PESTICIDES PROGRAMS REGISTRATION DIVISION (TS-767) WASHINGTON, DC 20460

NOTICE OF PESTICIDE: REGISTRATION

(Under the Federal Insecticide, Fungicide,

TREREGISTRATION

and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

 Γ

James Pohert Auguston 958 Warren Lane Fl Dorado Hills, CA 95630

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This registration notice is being issued in accordance with section 3(c)(7)(A) of the FIFRA subject to the following conditions:

- It is understood that you will submit and/or cite all data required for registration or reregistration of your product under section 3(c)(5) of the FIFRA when the Agency requires all registrants of similar products to submit such data.
- 2. You will submit five copies of your finished printed labels complying with the requirements or revisions specified in the attachment to this registration notice. These labels must be submitted to the Agency before the product is released for shipment as required by PR Notice 82-2, of June 18, 1982.

A stamped copy of the draft label is enclosed for your records. Your release of the product for shipment constitutes acceptance of these conditions. If the conditions are not complied with, the registration will be subject to cancellation in accordance with section 6(e) of the FIFRA.

ATTACHMENT TO EPA REGISTRATION NOTICE

EPA Regi	istrat	tion No	54281-1		Date	Issued	<u> </u>	4 1986	
Company	Name	James	Robert Augusto	n					
Product	Name	Chlorine	Liquified Gas	Under	Press	sure			

The following requirements or revisions apply to the label which was accepted with this registration notice:

- 1. The registration number which has been assigned to this product must appear on the label as EPA Reg. No. 54281-1.
- 2. The word POISON must be printed in red. However, traditionally most registrants satisfy this requirement by printing the word DANGER, the Skull and Crossbones symbol, and the word POISON in red.
- 3. Complete the net content (weight) statement.
- 4. An Establishment No. is assigned by the Enforcement Division of your Region [EPA Region 9, 215 Fremont St., San Francisco, CA 94105, Phone 415-556-2320]; it must appear on the label or on the container for the pesticide.
- 5. The labels which will be used for this product in channels of trade must reflect these revisions.
- 6. Five copies of the finished printed labels, as defined in the A-79 enclosure, must be submitted to the Agency before the product is released for shipment to comply with PR Notice 82-2 of June 18, 1982.
- 7. The finished printed labels must comply with the general labeling requirements of Section 162.10 of Title 40 of the Code of Federal Regulations. If the label does not satisfy these requirements it will be rejected.

CHLORINE LIQUEFIED GAS UNDER PRESSURE NON-FLAMMABLE

For use as a disinfectant and algoride in residential pools by trained and qualified service persons, under the direct supervision and employment of the owner of this registration. The registrant is solely responsible for the safety of the servicing equipment used with this peaticide, and for the repackaging of this gas from large containers into portable cylinders. This registration is not transferable. Each repackager must obtain his own EPA Registration Number for this peaticide for this use, and his own EPA Establishment Number from the U.S. Environmental Protection Agency.
