related compounds	0.5%
petroleum distillates	4.0%
inert ingredients	89.0%

WARNING AND FIRST AID TREATMENT

STATEMENT OF PRACTICAL TREATMENT: CALL A PHYSICIAN IMMEDIATELY IN ALL CASES OF SUSPECTED POISONING. The following treatment should be employed before the physician arrives. If swallowed - give victim one or two glasses of water and induce vomiting by inserting finger in back of throat. Repeat until vomit fluid is clear. Never induce vomiting or give anything by mouth to an unconscious person. If inhaled - remove victim to fresh air. Apply artificial respiration if indicated. If on skin - remove contaminated clothing and wash affected areas with soap and water. If in eyes - flush eyes for at least 15 minutes with water. If victim has stopped breathing, apply artificial respiration. If victim's heart has stopped beating, apply cardiac resuscitation.

DANGERS TO HUMANS:

WARNING SYMPTOMS: Symptoms include weakness, headache, tightness in chest, blurred vision, non-reactive pinpoint pupils, sweating, nausea, vomiting, diarrhea and abdominal cramps.

TREATMENT: Acetylene is the specific therapeutic antagonist of choice against parasympathetic nervous stimulation. If there are signs of parasympathetic stimulation, atropine sulfate should be injected at 30-minute intervals, in doses of 1 to 2 milligrams until complete atropinization has occurred. Atropine is contraindicated. Clear throat by postural drainage. Urinary output continuously for 48 hours. Repeated exposure to cholinesterase inhibitors may, without warning cause prolonged susceptibility to very small doses of any cholinesterase inhibitor. Allow an further exposure until time of cholinesterase regeneration has been allowed as determined by blood test.

PHYSICAL OR CHEMICAL HAZARD: DANGER: Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 150°F may cause bursting. Never throw container into fire or incinerator.

DISPOSAL AND RECYCLING: Do not place near heat or open flame. Do not store near food or feed. Wash container 12 empty. Do not reuse; wrap in newspaper and put in trash collection.
