Associated Registrations, Inc.  
c/o Ms. Kim Davis  
RegWest Company  
P.O. Box 2220  
Greeley, CO 80632-2220

Dear Ms. Davis:

Subject: Revised Labeling  
Super Guard, EPA Reg. No. 54287-2  
Submission dated July 7, 1992

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

In your letter to the Agency of July 7, 1992, you mention that your previous label did not address the "Category II Acute Oral hazard". We assume that your intentions were to address the "Category III Acute Oral hazard" as indicated by the Registration Standard and by your revised text. If this is not true, verify the toxicity category of your product and correct as necessary.

Sincerely,

*RFM*  
Richard F. Mountfort  
Product Manager 10  
Insecticide & Rodenticide Branch  
Registration Division (H7505C)

### ACTIVE INGREDIENTS:

N,N-diethyl-m-toluamide  
Other Isomers

95%  
5%

NET WEIGHT 2 FL. OZ.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

#### Read all Directions and Precautionary Statements Before Using This Product

Use just enough repellent to cover exposed skin and/or clothing. Avoid overexposure. Do not use under clothing. Do not spray directly on face. To apply to face, spray on hands and rub on. Do not apply to eyes and mouth and do not apply to the hands of young children. Repeat as needed. Frequent reapplication and saturation is unnecessary for effectiveness. For ticks and chiggers, also apply to shoe tops, socks and around openings in clothing. After returning indoors, wash treated skin with soap and water. Wash treated clothing.

Avoid contact with plastics, such as eyeglass frames and such fabric as acetate and rayon.

**STORAGE:** Store in a cool, dry area away from heat or open flame. **DISPOSAL:** Do not reuse empty container. Wrap container and put in trash collection.

### PRECAUTIONARY STATEMENTS

#### Hazards to Humans and Domestic Animals

**WARNING:** Instruct older children in the proper use of this product. Harmful if swallowed. Do not spray on face, lips or into eyes. Do not spray in enclosed areas. Do not apply over cuts, wounds or irritated skin.

#### Statement of Practical Treatment

**If Swallowed:** Drink one or two glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious or convulsing person. Get medical attention. **In Case of Contact with Eyes:** Flush with water. Get medical attention if irritation persists. **NOTE:** Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your physician or local poison control center.
