2/2

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read and follow all directions and precautions on this product label. Use just enough repellent to cover exposed skin and/or clothing. Avoid over-application of this product. Do not use under clothing. Do not spray [squirt] directly on face. To apply to face, spray [squirt] on hands and rub on. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply to children's hands. Frequent reapplication and saturation is unnecessary for effectiveness. For ticks and chiggers, also apply to shoe tops, socks and around openings in clothing. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. Avoid contact with plastics such as eyeglass frames and such fabric as acetate and rayon. [Will not damage cotton, wool, or nylon.] [Do not apply on or near acetate, rayon, spandex, or other synthetics, furniture, plastics, watch crystals, leather and painted or varnished surfaces including automobiles.]

DISPOSAL

If empty: Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS**Hazards to Humans & Domestic Animals**

WARNING: Causes substantial but temporary eye injury. Do not get in eyes. Harmful if swallowed. Do not spray [squirt] in enclosed areas. Do not apply over cuts, wounds or irritated skin. When using on children, apply to your own hands and then put it on the child. Do not allow children to handle this product. Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin, and call your local poison control center. If you go to a doctor, take this product with you.

FIRST AID
