 <p>U.S. ENVIRONMENTAL PROTECTION AGENCY Office of Pesticide Programs Registration Division (7505P) 1200 Pennsylvania Ave., N.W. Washington, D.C. 20460-0001</p>	EPA Registration No. 54287-2	Date of Issuance: SEP 08 2008
<p>NOTICE OF PESTICIDE: <input type="checkbox"/> Registration <input checked="" type="checkbox"/> Reregistration (under the Federal Insecticide, Fungicide and Rodenticide Act, as amended)</p>	Term of Issuance: Conditional	
	Name of Pesticide Product: SUPER GUARD INSECT REPELLENT	
Name and Address of Registrant (include ZIP Code): Associated Registrations, Inc. P.O. Box 188 Safety Harbor, FL 34695-0188		
<p>Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.</p>		
<p>On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.</p> <p>Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p> <p>This action is taken under the authority of section 4(g)(2)(c) of the Federal Insecticide, Fungicide and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.</p> <p>Based on your response to the Reregistration Eligibility Document(s), EPA has reregistered the product listed above provided that the following change(s) is(are) made to the label:</p> <p><u>Marketing Claims section comment(s):</u></p> <ol style="list-style-type: none"> 1. Delete Venezuelan equine encephalitis from the 7th optional marketing statement since this insect-borne disease currently does not occur within the continental United States and/or its territories. 2. Delete the 8th optional marketing statement since Dengue Fever currently does not occur within the continental United States and/or its territories. <p><u>Directions for Use section comment(s):</u></p> <p>Replace this section with: "DO NOT spray [squirt] in enclosed areas. Avoid breathing a spray product and DO NOT use it near food. Spray and spread evenly with your hand to moisten all exposed skin. Use just enough repellent to cover exposed skin and/or clothing. Avoid over-application of this product. DO NOT use under clothing. DO NOT spray [squirt] directly onto face. If used on the face, spray [squirt] on palm of hands first and then apply sparingly to face. DO NOT apply near eyes and mouth. Apply sparingly around ears. DO NOT apply over cuts, wounds or irritated skin. Apply to clothing such as shirts, pants, hat and socks. For ticks and chiggers also apply to shirt, pant cuffs, socks, shoe tops and around other openings in outer clothing. After returning indoors, wash treated skin with soap and water or bathe. Wash treated clothing before wearing it again. DO NOT allow children to handle this product, and DO NOT apply to children's hands. When using on children, apply to your own hands and then put it on the child. Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin and call your local poison control center. If you go to a doctor, take this repellent product with you."</p>		

Directions for Use section comment(s), continued:

“NOTE: Will not damage cotton, wool or nylon. **DO NOT** apply on or near acetate, rayon, Spandex or other synthetic fabrics (other than nylon), furniture, plastics (such as eyeglasses and watch crystals), leather and painted or varnished surfaces (including automobiles).”

Storage and Disposal Statement section comment(s):

- 3. To facilitate inclusion of language from PR Notice 2007-1, replace this section with: “**Pesticide Storage:** Store this product in a cool, dry place that is inaccessible to children. **Pesticide Disposal: If empty:** Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. **If partly filled:** Call your local solid waste agency [or toll free number or website which meets the criteria in paragraph II.E., P.R. Notice 20007-1] for disposal instructions. Never place unused product down any indoor or outdoor drain.”

Precautionary Statements section, Hazards to Humans subsection comment(s):

- 4. To facilitate inclusion of revised language from the acute toxicity review completed for this product, replace this section with: “Causes substantial but temporary eye injury. Do not get in eyes. Harmful if swallowed. Wear protective eye wear (goggles, face shield, safety glasses), long sleeved shirt, long pants, shoes, socks and chemical-resistant gloves (such as or made out of any waterproof material, selection category A). Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.”

First Aid Statement section comment(s):

- 5. In the row labeled “If In Eyes:,” replace the 2nd bullet with: “Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.”
- 6. Replace the last row of the First Aid section (table) with: “Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For additional information on this pesticide product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-xxx-xxxx.”¹
- 7. Add the following text as a new row at the end of this section as follows: “NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.”

To be eligible for reregistration, aerosol and pump spray formulations must be packaged in containers utilizing a concave trigger to help aim product or other comparable mechanism that will ensure that the product will not be inadvertently sprayed in the eyes.

The Agency is in the process of developing and improving the current Efficacy Assessment Guidelines for repellent products. The Agency intends to defer the determination of any related efficacy data requirements supporting the claims that may appear on this label until these Efficacy Assessment Guidelines are complete. When the guidelines are finalized, the Agency expects to issue a Data Call-In to address the revised guidelines to all registrants with registrations for personal repellent products that have not previously submitted efficacy data sufficiently consistent with the revised guidelines.

A copy of your label stamped “Accepted with Comments” is enclosed for your records. Please submit two (2) copies of the final printed labeling, incorporating the above changes, before releasing the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing amended labeling constitutes accepting of these conditions.

¹ Please note that the “1-800-xxx-xxxx” number listed must be available twenty-four (24) hours per day, seven (7) days per week for answering and responding to any medical emergencies or health concerns.

If you have any questions about this label review, please contact Mr. Carmen Rodia at (703) 306-0327 or via e-mail at Rodia.Carmen@epa.gov.

Sincerely yours,

Richard J. Gebken

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **READ AND FOLLOW ALL DIRECTIONS AND PRECAUTIONS ON THIS PRODUCT LABEL.** Use just enough repellent to cover exposed skin and/or clothing. Avoid over-application of this product. Do not use under clothing. Do not spray [squirt] directly on face. If used on the face, spray [squirt] on hands first and then apply sparingly and avoid the eyes. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply to children’s hands. Frequent reapplication and saturation is unnecessary for effectiveness. For ticks and chiggers, also apply to shoe tops, socks and around openings in clothing. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. Avoid contact with plastics such as eyeglass frames and such fabric as acetate and rayon. [Will not damage cotton, wool, or nylon.][Do not apply on or near acetate, rayon, spandex, or other synthetics, furniture, plastics, watch crystals, leather and painted or varnished surfaces including automobiles.]

STORAGE AND DISPOSAL

Storage: Store in a cool, dry place inaccessible to children. **If empty:** Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency [or toll free number or website which meets the criteria in paragraph I.E., PR Notice 2007-1] for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals
